

**People's Republic of China (PRC):
The Development-oriented Poverty Reduction Program
for Rural China (2001–2010)**

ABSTRACT

The Program describes the overall goals and guiding principles of poverty reduction for rural PRC from 2001 to 2010. On the basis of defining the targets and priorities of poverty relief, the Program outlines the aid scope and approaches. Moreover, it introduces the policies, organization and leadership that will assure the implementation of the Program.
