Implementing Change

Workshop Objectives

Disseminate knowledge on best practice road safety engineering

Contribute to developing national priority plans for improved road safety engineering

Create a knowledge dissemination platform among countries within the region

Workshop Agenda

Day 1:

- CAREC Road Safety Engineering Manuals
- Vision for the Safer Roads in CAREC
- Road Safety Audits

Day 2:

- Work Zone Safety
- Vulnerable Road Users
- Blackspot Programs
- Advancing Road Safety Engineering

Thank you!
