WCO Strategic Plan

2013/2014 - 2015/2016

CAREC CCC Meeting

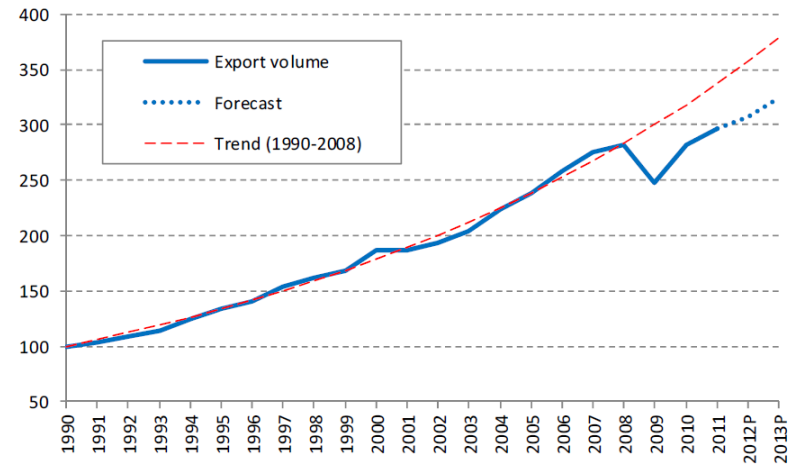

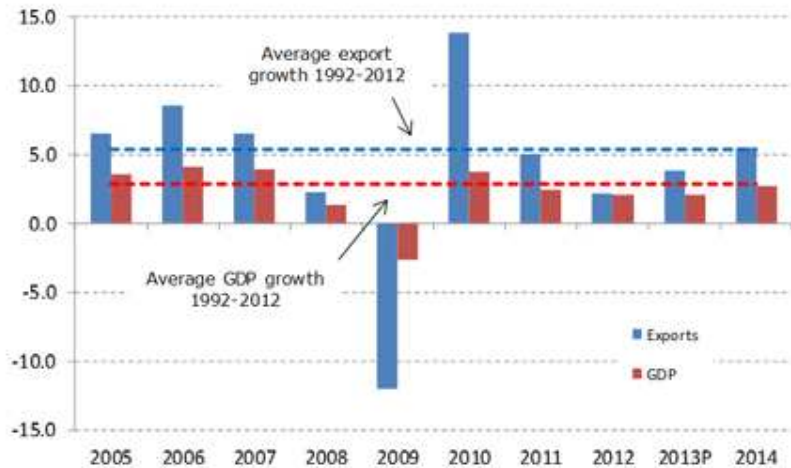

Astana, Kazakhstan, 18 September 2013

Takashi Matsumoto
External Relations Coordinator
World Customs Organization (WCO)

Customs Environment and its Impact

❑ Merchandise trade recovery from global financial crisis

World merchandise exports, 1990-2013 (Indices, 1990=100)

Export growth vis-à-vis GDP growth (Source WTO)

❑ Important role of trade for economic development

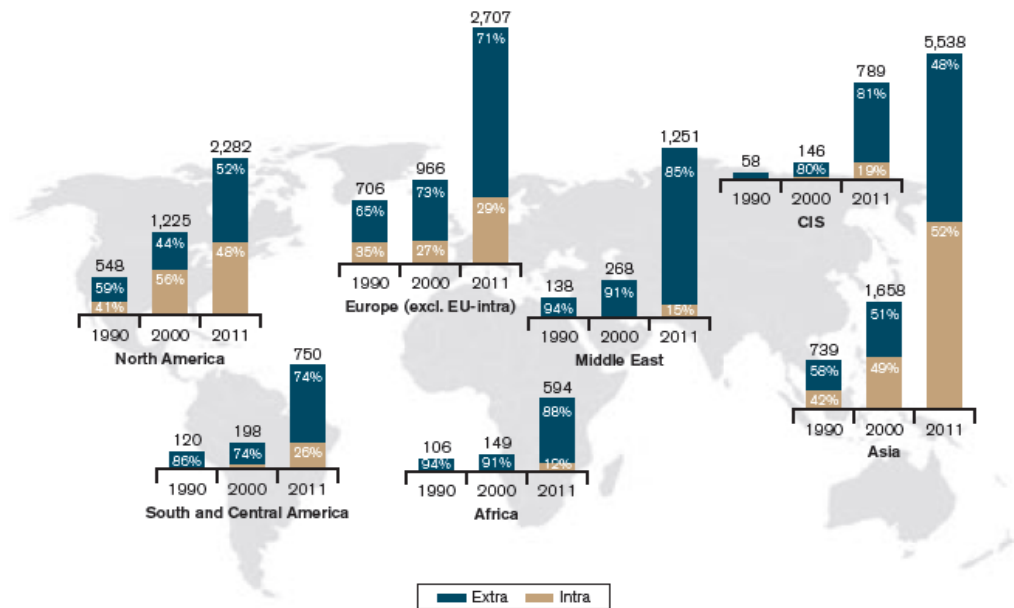

- Expectation for Trade Facilitation
- Importance of Customs performance at borders

Customs Environment and its Impact

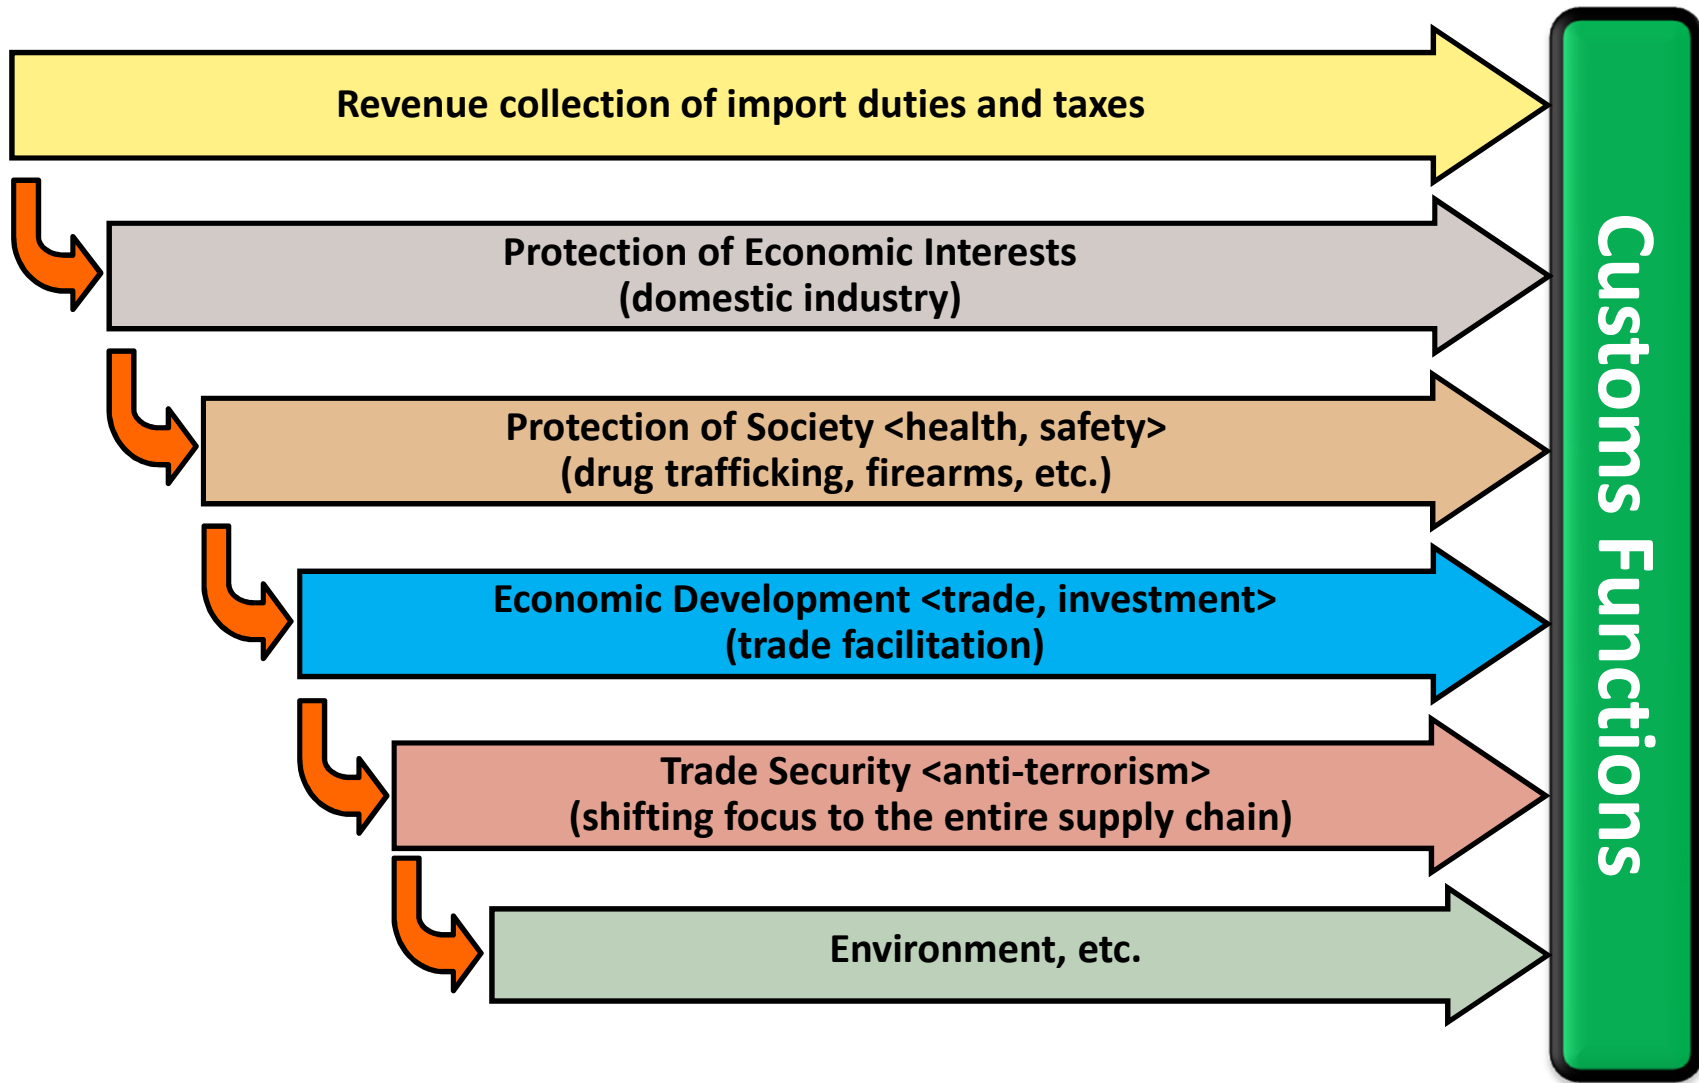

- ❑ Evolving International Supply Chain
 - Intermediate goods trade: about 60% of manufactured goods (WTO)
 - Intra-firm trade: about 30% of global trade (OECD)
 - Importance of trade facilitation and predictability at borders

- ❑ Intra-regional trade and Regionalization
 - Expectation to contribute regionalization and intra-regional trade supply chain

**Intra-trade, Extra-trade
1990-2011
(1billion USD, %)
