

# **CAREC Institute: 2012 Training and the 2013-2017 Strategy**

Sonoko Sunayama  
Regional Cooperation Specialist  
CAREC Secretariat

# 2012 CAREC INSTITUTE Training Activities

## Co-financing of two events

- IEA Caspian Energy Policy Dialogue and Training *Astana, Kazakhstan (3-5 July 2012)*
- RESET Capacity-Building Workshop: Market Models and Their Supporting Information Systems *Bangkok, Thailand (27 September 2012)*

# IEA Caspian Energy Policy Dialogue and Training (1)

12 ESCC members from 6 CAREC countries  
(among 38 total participants from public and private sectors of the Caspian countries)

Objectives of the IEA event:

- Policy dialogue on technology initiatives and clean energy
- Energy efficiency training modules
- Renewable energy training modules

# IEA Caspian Energy Policy Dialogue and Training (2)

## Main discussions

- Experience-sharing on technology initiatives  
e.g. Kazakhstan's "Green Bridge Partnership Programme"
- Energy Efficiency

IEA policy recommendations, governance, emergency demand-side management, financing energy efficiency

- Renewable Energy

technology, markets, economics, policy overview and designing (with government presentations)
