

Trade Policy

- Highlights from the 17th TPCC meeting
- Key issues for consideration by the SOM:
 - Reaffirming the guiding principles for the TPCC:
 - ✓ Trade liberalization through removal of both tariff and non-tariff barriers
 - ✓ WTO accession by all CAREC members
 - ✓ Bolstering the institutional environment for trade
 - Updating the 2008 TPSAP:
 - ✓ In line with the strategic objectives of CAREC 2020
 - ✓ Taking account of progress achieved in the implementation of the existing action plan
