

TRADE INFORMATION PORTAL

Rationale

- CITA 2030 underscores the importance of information for trade
 - Trade is facilitated when information is easily available; transparency complements liberalization and promotes efficiency
 - Evidence-based decision-making, policy analysis, and coordination, strengthens institutions
- A Trade Information Portal will
 - build data collection and management capacity
 - complement trade facilitation initiatives such as Single Window
 - help WTO members comply with the publication requirement of TFA
 - ultimately reduce information costs thereby encouraging more trade
