Review of CCC-CFCFA Joint Meeting-1

1st CCC-CFCFA Joint Meeting in Ulan Bator (Aug 2015)

Participating in the Regional Transit Guarantee Mechanism and developing insurances in place of regional transit guarantee items to simplify procedures and reduce operational risks of the private sector.

Participating in the establishment of AEO to enhance international supply chain and border security, as well as reducing customs inspection duration and the cost of customs clearance, so as to make our products more competitive.

To encourage the private sector to join the technical research of regional standardization; as well as specialized research on the impact of and measures regarding differences in technical standards or regulations.

Within the framework of WCO, support the CFCFA to set up unestablished standards, common transportation documents and EDI standards.

Questions

In light of the pilot projects, how could we further advance CFCFA standardization?

How to participate in AEO establishment? Credit evaluation activities?

How to participate in regional transit guarantee? How to establish multilateral trade credit and investment guarantee agency?

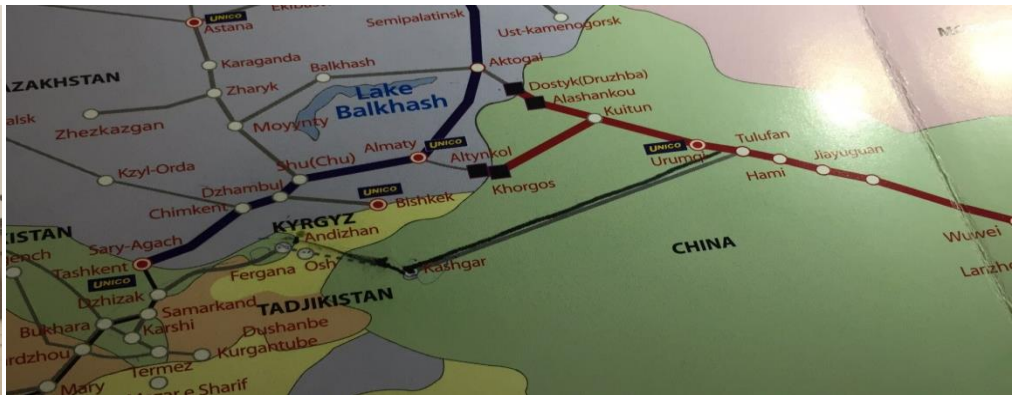

How to develop knowledge sharing or training programs with CCC?

ORGANIZE AND FACILITATE TRANSPORTATION CHANNELS-1

Facilitate CFCFA priority projects--Andijon-Osh-Kashgar-Pacific;
Facilitate the agreement between agencies related to transportation channels:

Each party organizes its own companies to join this pilot project, and provides guidance to agreements between the companies.

Based on this pilot project agreement, apply for favorable policies and customs clearance conditions, as well as potential financial support from government authorities, agencies, rail and shipping companies.

ORGANIZE AND FACILITATE TRANSPORTATION CHANNELS-2

Establish an expert group to develop multimodal transport bill of lading for international shipping, rail and road transportation.

Questions

Report to the CCC regarding the pilot project to better facilitate customs clearance.

At present, what are the more practical conditions?

OPPORTUNITIES OF CAREC'S NEW LONG-TERM STRATEGY

The Private Sector

The new strategy will provide the private sector with an opportunity to strengthen its role in regional cooperation and integration. CAREC can support the participation of SMEs in regional value chains, the development of capital market, cross-listing of companies and public-private partnerships.

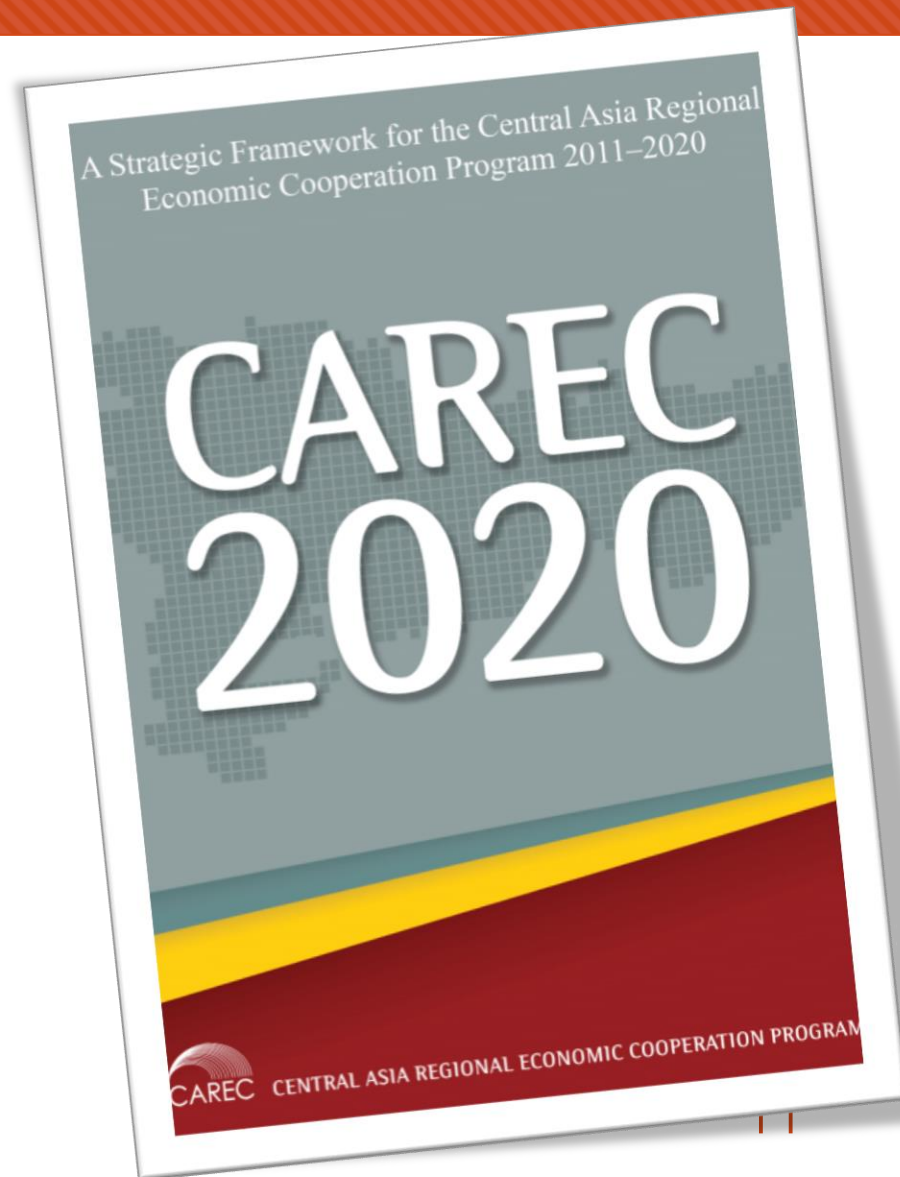

PART 1 CAREC'S NEW LONG-TERM STRATEGY SEMINAR-2

Enhance the role of CFCFA

Establish CAREC multilateral trade credit and investment guarantee agency

Enhance the cooperation between member countries in industry and commerce

Questions

How to work with third parties to co-develop PPP projects on the silk road economic belt, to share information and opportunities, to hold conferences, fora, trainings and research for more cooperation opportunities?

How to establish a multilateral trade credit and investment guarantee agency?
