Friday, July 30, 2010

10:00-11:15 Panel Session I: Transport (See sub-program)

Venue: Tai Ballroom
Moderator: ADB
Summary: The Transport Session aims to (i) showcase regional efforts and opportunities for private investments in transport projects, (ii) canvass how to collaborate private and public sectors, and (iii) examine ways to address constraints to private sector involvement.

In Parallel:

10:00-11:15 Panel Session II: Trade in Agriculture (See sub-program)

Venue: Grace Function Room
Moderator: XUAR of PRC and ADB
Summary: The Agriculture Sub-forum aims to (i) showcase the regional agro-tech development and potentials for further cooperation, (ii) identify regional agro-products logistics bottlenecks and recommendations for addressing these impediments, (iii) examine ways to address constraints to business community involvement in agriculture.

11:15-11:30 Tea Break

Venue: Hao Tai Grand Ballroom Foyer

11:30-12:45 Panel Session III: Trade Facilitation (See sub-program)

Venue: Tai Ballroom
Moderator: ADB
Summary: The session will focus on CAREC efforts to engage the private sector in identifying the various constraints that hinder the smooth flow of trade across the region and how the private sector, not only benefits, but also contributes to the efforts of eliminating these barriers. Private sector speakers will provide insights and share their experiences on the problems they encounter in transporting goods and people across CAREC countries. They will also present private sector initiatives in working together with the public sector and how they can cooperate and coordinate with the various CAREC structures involved in the planning, implementation and evaluation of programs designed to develop transport and trade in the region.

In Parallel

11:30-12:45 Panel Session IV: Energy (See sub-program)

Venue: Grace Function Room

Moderator: ADB

Summary: Discussions on uneven distribution of energy sources, energy trade and linkages in the region, energy efficiency concept, and importance of public-private partnership in these areas
