

Key objectives of creating the Customs Union:

**Establishing the common customs tariff
and the system of non-tariff regulation**

**Transfer of customs
Inspection to the outer
national boundaries**

**Introduction of the
common customs code**

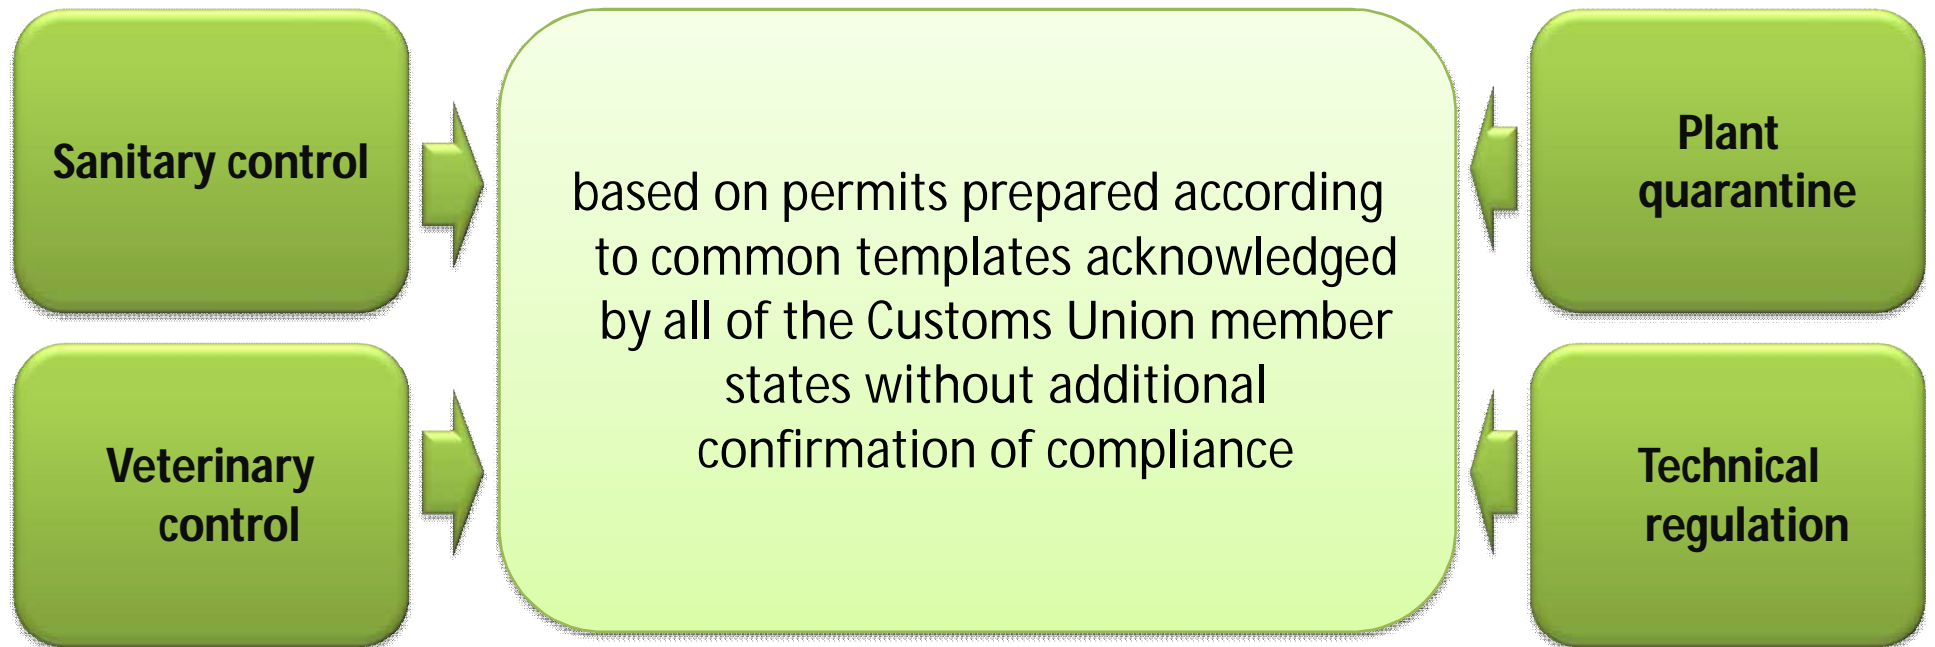

**Development of a mechanism for
accepting and allocating customs
duties, taxes and dues**

**Establishing common trade
regime with third countries**

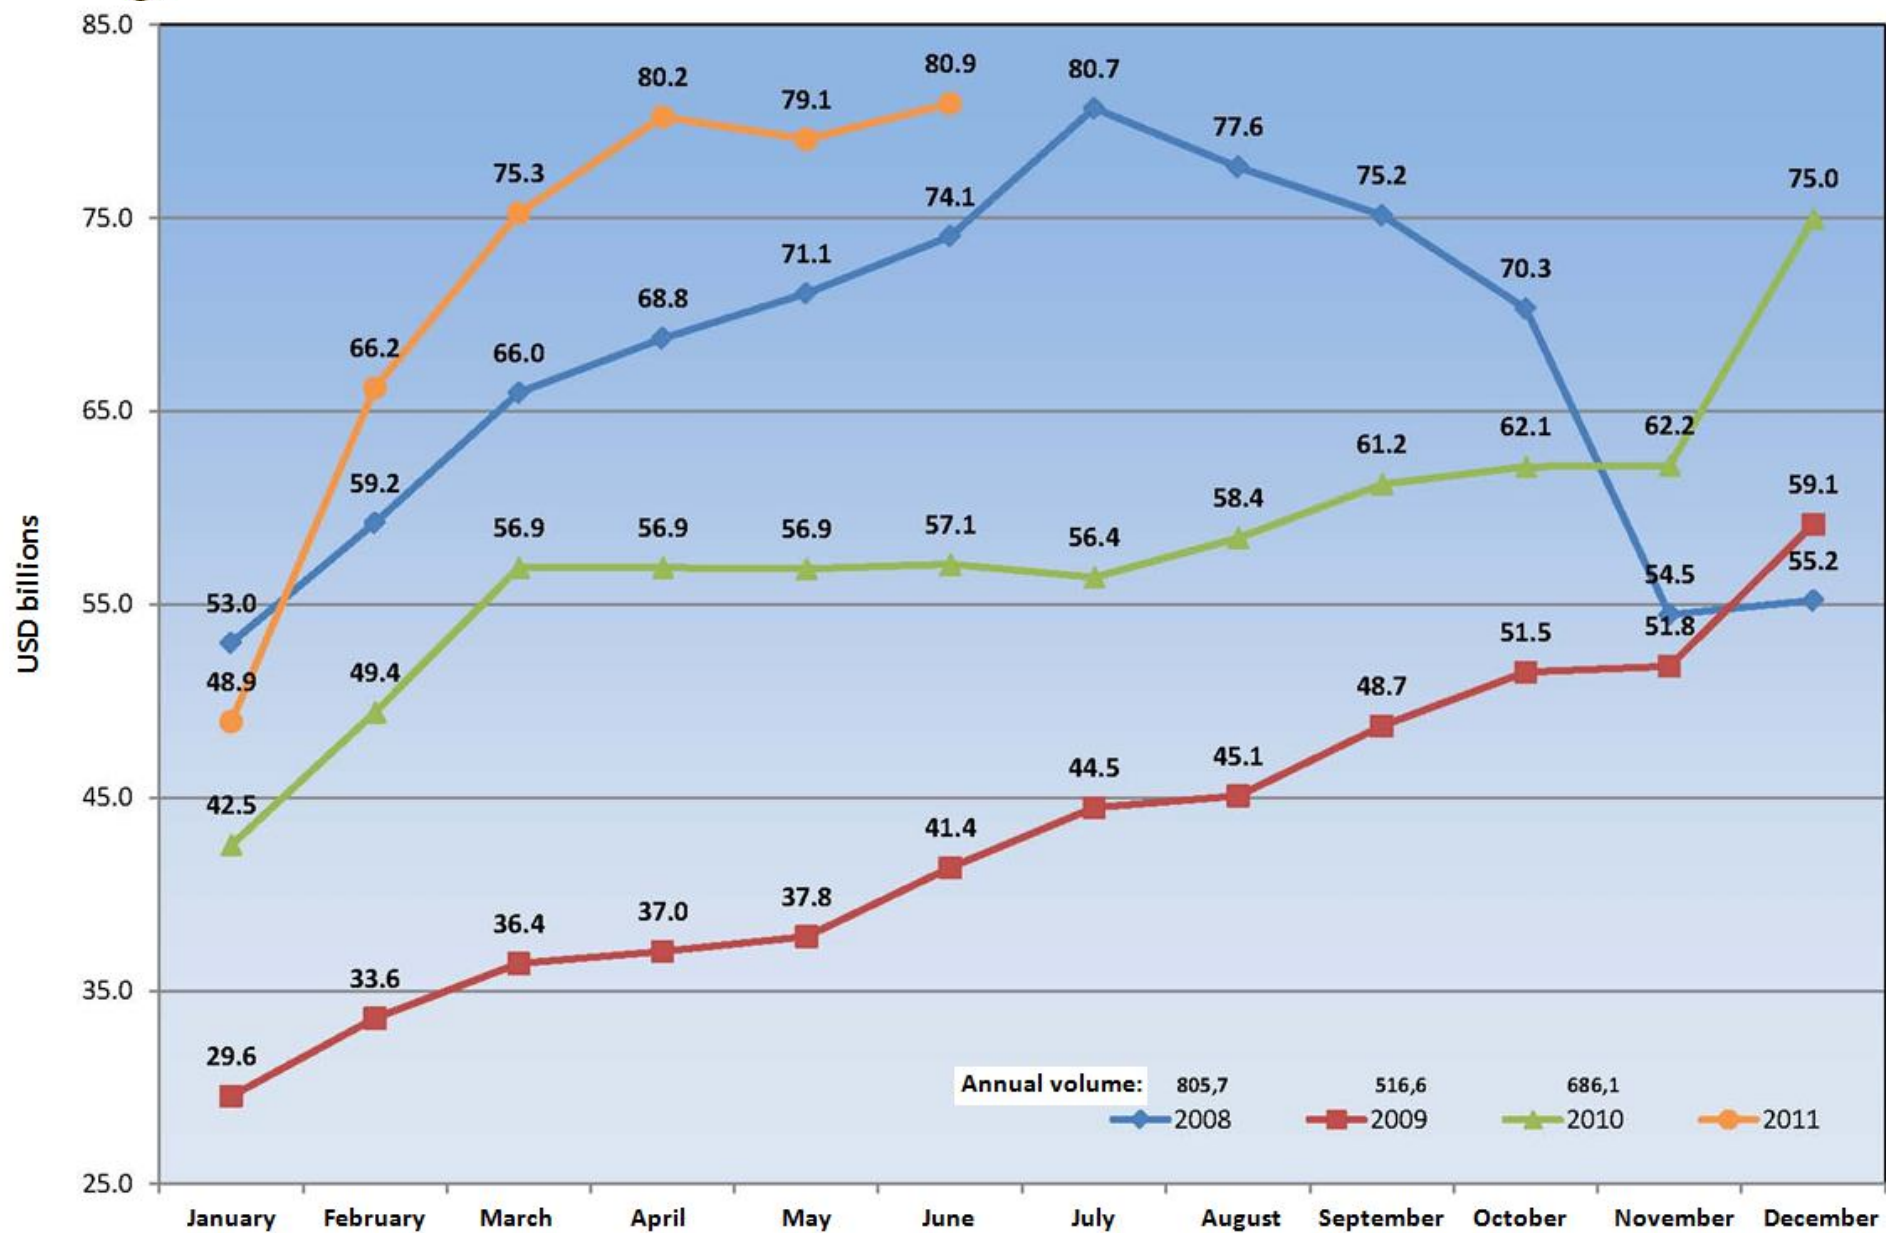

Technical regulation and application of sanitary, veterinary and phytosanitary measures:

The Strategy for promotion of a common system of technical regulation, application of sanitary, veterinary and phytosanitary measures of the Customs Union for 2011-2015 is now drafted
