Control Procedures on Entry

Documents Required for Release/Clearance of Goods

Driver's Documents

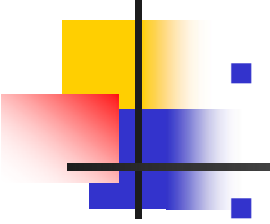

- International passport with valid entry/exit and transit visas for countries on whose territory the transportation is to be performed;
- International driver's license issued in accordance with the Convention on Road Traffic as of November 8, 1968.
- Driver's personal record book that is mandatory to keep in the countries of the European Agreement that concerns the operation of vehicle crews performing international road transport operations (ECTP) as of July 1, 1970.

Vehicle Documents

- **Vehicle registration certificate issued in accordance with the Convention on Road Traffic as of November 8, 1968;**
- **Permit for the vehicle to enter the country or transit the country's territory (if provided for in the agreement);**
- **Certificate that authorizes the vehicle to perform international transport of goods under customs seals in line with the 1975 TIR Convention requirements;**
- **Certificate that authorizes the vehicle to transport perishable goods, should that be the case.**

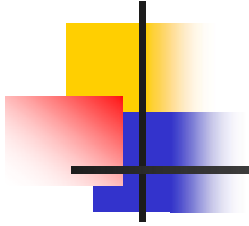

Documents Pertaining to Goods

- 
- Consignment voucher as required by the CMR (ΚΔΠΓ) and shipping specifications for each item of goods;
 - A set of consignment vouchers to process goods return movement;
 - TIR carnet issued in line with the 1975 TIR Convention on the use of a TIR carnet;
 - Quality certificate issued for each shipment of goods shipped under one consignment voucher;
 - Quarantine and veterinary certificates, if applicable;
 - Export/Import permit to take the goods from/to the country, issued by the MFERIT (Ministry for Foreign Economic Relations, Investment and Trade) if the goods are the object of foreign trade. Alternatively, a copy of the Agreement or Protocol on the establishment of direct relations, if the goods are carried by the company's own vehicle under the company's direct business relations.

Fees Charged at BCPs

- **Contribution to the National Road Fund for entry and transit (depends on the country where the vehicle is registered)**
- **Fee for quarantine treatment and movement through a crossing point (the Republic of Kazakhstan)**
- **Charge for diesel fuel differential (Turkmenistan)**
- **Vehicle driver's insurance against third party liability**
- **Charge for heavy and oversized vehicles**

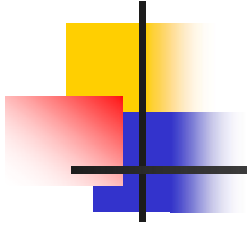

ISSUES

PROSPECTS

- **Satellite tracking of transit shipments from the moment the vehicle crossed the customs border into Uzbekistan until it leaves the country;**
- **A system that recognizes and automatically records vehicle's license plate number as it crosses the customs border;**
- **A system that recognizes wanted persons as they cross the customs border;**
- **Equip traffic intensive BCPs with scanners for examining large size goods.**

THANK YOU!
