

**Energy Efficiency Training Seminar: Central and West Asia
28-30 May 2014, Kuala Lumpur, Malaysia**

	Name	Country	Organization/Agency	Position	Job Description
PARTICIPANTS					
1	Mr. Hazrat Shah Hameedi	AFGHANISTAN	Da Afghanistan Breshna Sherkat	Manager for Project Implementation Unit	monitoring and supervision of power projects, transmission, distribution and revision of tender documents for power projects
2	Mr. Ezatullah Ezat		Ministry of Energy and Water	Energy Efficiency Enforcement Expert	oversee energy efficiency enforcement activities and associated public programs; provide recommendation from energy consumption monitoring and evaluation programs; provide information on changes and recommendations for building codes and appliances standards; participate in Energy Efficiency Working Group activities; prepare market evaluation updates reports on energy efficiency equipment
3	Mr. Ali Jan Joya		Ministry of Energy and Water	Technology Development Expert	develop programs for public information on energy efficiency and develop benchmarking forenergy efficient equipment; participate in Energy Efficiency Advisory Committee; member of Energy Efficiency Working Group
4	Ms. Azatuhi Gamburyan	ARMENIA	Ministry of Energy and Natural Resources	First Category Specialist	first category specialist at International Economic Cooperation Division of External Relations Department of Ministry of Energy and Natural Resources
5	Mr. Vilson Kyatikyan		Department of Financial Programming of Budget Current Expenditure, Ministry of Finance	Deputy Head of Division	financial programming of budget current expenditures
6	Mr. Ilgar Ahmadov	AZERBAIJAN	State Gas Control Division	Deputy Head of Division	control of gas losses; implement important energy efficiency projects; mentor enterprises; supervise division under state control
7	Mr. Farhad Alakbarov		Ministry of Economy and Industry	Consultant, Division on Management of International Projects, Department on Cooperation with International Organizations	coordination of international projects; review legal and other documents; prepare report
8	Mr. Khalid Osmanov		Ministry of Energy	Senior Consultant, Department of Special Licenses	control of energy carrier; monitor fuel-energy enterprises; issue license to enterprises; represent ministry in fuel-energy complex and energy efficiency events
9	Mr. Emil Valiyev		State Agency on Alternative and Renewable Energy Sources of the Republic of Azerbaijan	Lead Advisor, Department of Policy and Energy Efficiency	conduct energy audit and report in buildings; prepare and monitor implementation of energy efficiency measures
10	Mr. Elkhan Ahmadzada		State Agency on Alternative and Renewable Energy Sources of the Republic of Azerbaijan	Lead Advisor	participate in formation of priority state investment policy; development and management of investment project feasibility studies; development of relationship with domestic and foreign organizations in the field of renewable energy sources and energy efficiency
11	Mr. Zhang Xinghua	PEOPLE'S REPUBLIC OF CHINA	State Grid Corporation of China	Deputy Division Director, Sales Department	
12	Mr. Zhang Li		The Export and Import Bank of China	Country Officer, Concessional Loan Department	In charge of Chinese government concession loan and preferential buyers credit implementation in Central Asia
13	Ms. Han Yujin		National Energy Administration	Principal Staff Member	research and involvement in preparation of national energy strategies
14	Mr. Lei Xiang		National Energy Administration	Principal Staff Member	guide energy conservation; undertake relevant work on scientific and technological progress and equipment
15	Nino Tsotoidze	GEORGIA	Ministry of Economy and Sustainable Development	Head of Division for Parliament's Relations	provide legal advice, drafting laws and sub-laws, government decrees, contracts, monitoring on going projects

	Name	Country	Organization/Agency	Position	Job Description
16	Mr. Aidar Kazhibayev	KAZAKHSTAN	JSC "Institute for Development of Electric Power and Energy Saving"	Director of the Department of Technical Policy and Science	definition of the development strategy of technical policy and science of the industry
17	Mr. Mirzhan Asperov		JSC "Institute for Development of Electric Power and Energy Saving"	Advisor	expertise on energy enterprises, energy audit, energy management; improvement of energy efficiency of energy equipment
18	Ms. Zhanna Khairullina		Ministry of Industry and New Technology	Advisor of Vice-Minister of Industry and New Technology	provide organizational support to Vice-Minister on electric energy, energy efficiency and coal industry; provide support for renewable energy and energy supervision
19	Mr. Zhaxylyk Tokayev		Ministry of Industry and New Technology	Expert, Department of Energy Saving and Energy Efficiency	participate in developing and approving program projects, general agreements, plans in energy saving and energy efficiency sphere
20	Mr. Maratbek Cholponkulov	KYRGYZ REPUBLIC	Ministry of Energy and Industry	Head of Electricity Distribution Department	
21	Mr. Ulan Danilbekov		Ministry of Economy	Expert of Strategic Planning Department	participate in developing strategic programs
22	Mr. Mirbek Esengulov		Ministry of Energy and Industry	Lead Specialist of Electricity Generation and Transmission Department	
23	Ms. Zharkynai Tashpolotova		CJSC "Kyrgyz Investment and Credit Bank"	Deputy Chief Credit Officer/Head of Leasing Department	provide corporate credit loans
24	Ms. Asel Topchubaeva		OJSC "Electricity Power Plants"	Head of Legal Department	
25	Mr. Tsend-Ayush Luvsanjav		MONGOLIA	Energy Regulatory Commission of Mongolia	Specialist of Tariff, Pricing Policy and Regulation Division
26	Mr. Munkhtulga Telenged	Development Bank of Mongolia		Senior Analyst, Infrastructure Finance Department of Credit Division	provide statistical and analytical support to the functions of infrastructure loan portfolio management; provide back-up support for administrative activities and consolidation of information within the department
27	Mr. Sanjaadorj Mijiddorj	Ministry of Finance		Specialist in Budget Policy and Planning Department	develop detailed budget spending plans; monitor, analyze and report on current year spending in energy sector
28	Mr. Khiimorisain Purevdorj	Ministry of Energy		Officer of Energy Efficiency, Energy Conservation and Economic Modelling, Strategic Policy and Planning Department	analyze cooperative effort in work efficiency and cost reduction within firms in energy industry sector; plan policies for conservation and efficiency in the sector and provide central management; renew standard documents for conservation and efficiency; prepare draft plan to support strategic plan; transfer energy sector to market economy and develop policies to prevent transition challenges
29	Mr. Atarjargal Tserendoo	Ministry of Energy	Officer, Electricity Distribution Network Policy and Planning, Strategic Policy and Planning Department	electricity distribution network policy, reliability, and technical innovation, efficiency and conservation policy and planning action	
30	Mr. Syed Tanwir Husain Bukhari	PAKISTAN	Ministry of Water & Power	Joint Secretary	
31	Mr. Muhammad Salman Yousafi		Ministry of Finance, Revenue, Economic Affairs, Statistics and Privatization	Desk Officer, Economic Affairs Division	look after energy, power, irrigation, and water portfolio of ADB projects
32	Mr. Sheheryar Abbasi		Ministry of Finance, Revenue, Economic Affairs, Statistics and Privatization	Section Officer, Corporate Finance Wing	provide support in preparation of policies concerning energy sector; financial management issues pertaining to energy sector; coordination of economic policy on non-financial public sector enterprises
33	Mr. Zoirzhon Damonov	TAJIKISTAN	Ministry of Finance	Lead Expert, Budget Department	prepare budget and monthly reports in energy sector
34	Mr. Manuchekhr Safarov		Ministry of Energy and Water Resources	Head, Department on Management, Design and Implementation of Investment Projects	implementation and supervision on energy and water resources projects
35	Mr. Khurshed Qurbonov		Ministry of Energy and Water Resource	Head Specialist of Energy Department	
36	Mr. Bakhtiyor Rahmatov		Barki Tojik	Head of Department	control the work of electrical network enterprises in the Tajikistan Republic (reception and implementing of electricity)

	Name	Country	Organization/Agency	Position	Job Description
37	Mr. Rahmon Qosimi		National Bank of Tajikistan	Head of Unit, International Relations Department	overall supervision of the Foreign Countries Cooperation Division activities which is responsible for collaboration with international financial institutions, international organizations, as well as promotion to attract foreign investments to the country economy
38	Mr. Atageldi Mamiyev	TURKMENISTAN	Ministry of Energy	Main Specialist of the Department of Foreign Economical Affairs	establishing and monitoring relations with foreign partners in energy field
39	Mr. Serdar Nepesov		"Turkmenenergo" State Power Corporation	Deputy Chief Engineer	control of installation and maintenance of gas turbines
40	Mr. Serdar Atayev		Concern "Turkmenenergogurlushyk	Deputy Chief of Production Technical Department	quality control of constructions in electroenergy field
41	Mr. Shukhrat Karimov	UZBEKISTAN	Ministry of Finance	Chief economist, Department for the Administration of Financing the Key Economic Branches of Industry and Fuel-Energy Complex	expertise and make financial analysis of projects of Oil and Energy complex on energy efficiency. Implementing policies on preferences of the projects of Oil and Energy complex energy efficiency
42	Mr. Fazliddin Ruziev		Ministry of economy	Chief specialist, Division for Formation and Monitoring of Localization Program	compiling and monitoring short-, mid-, and long State Localization Program with focus on organizing production and introduction of energy efficiency goods and equipment in compliance with Republic development strategy. Participation in process of forming proposals for government privileges for organizing in the Republic production of new energy-efficiency technologies and ensuring their widespread introduction and usage in practice
43	Mr. Agzam Ikramov		Cabinet of Ministers	Leading Specialist	implementation of a systematic and comprehensive analysis of the progress on realization of socio-economic reforms in respective areas; provision of quality, reliable and timely preparation of proposals and drafts of legal acts, ensuring control of the execution of the orders and control of received documents
44	Ms. Nigora Nurmatova		National bank	Project manager, Division of Examination and Monitoring of Fuel-Energy Complex and Industry	during examination of investment project check the information thoroughly analyze financial data and give my opinion to Bank Credit committee, prepare proper documents for carrying out financing under the approved projects in accordance with the terms of Bank's Credit Committee resolution
45	Mr. Djamshit Akramov		"Uzbekenergo" SJSC	Chief engineer UC "Uzenergosozlash	provision of reliable power supply to customers regardless in which sector they operate and what organizational category they have. Modernization and technical re-equipment including energy efficient technologies
46	Mr. Steve Lojuntin	Malaysia	Sustainable Energy Development Authority		
47	Ms. Carmen Nunez		Asian Development Bank	Associate Project Officer	
48	Mr. Aziz Yusupov		Asian Development Bank	Energy Specialist	
49	Mr. Lei Zhang		Asian Development Bank	Energy Specialist
