# E-Commerce

In February 2015, Japan–Mongolia Economic Partnership Agreement was signed. It includes a chapter on Electronic commerce.

- Contribute to creating an environment of trust and confidence in the use of Ecommerce and to promote electronic commerce between Japan and Mongolia;
- The wider use of electronic commerce globally;
- Focuses on Digital products /computer programs, text, videos, images, sound recordings that are digitally encoded/;
- Each party will not impose customs duties on electronic transmissions;

Thank you for your attention
