

The Central Asia Regional Economic Cooperation (CAREC) Program

CAREC

RCI Central Asia Regional Economic Cooperation

Formation 1997

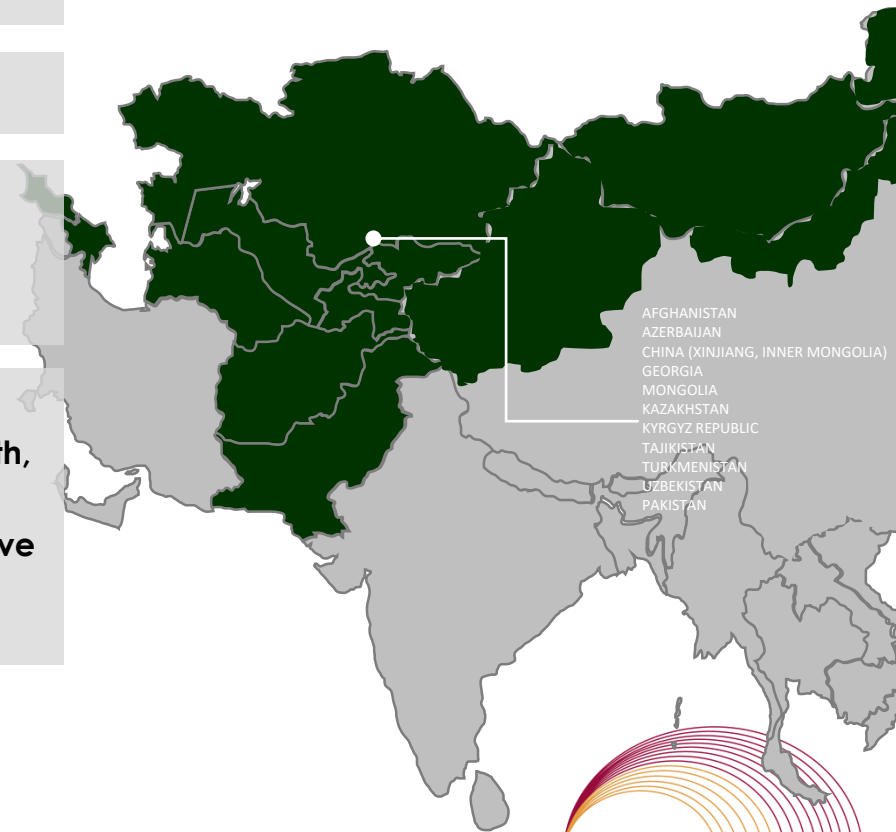

Members Afghanistan, Azerbaijan, China (Xinjiang, Inner Mongolia), Georgia, Kazakhstan, Kyrgyz Republic, Mongolia, Pakistan, Tajikistan, Turkmenistan, Uzbekistan

Vision Good Neighbors, Good Partners, Good Prospects

Priority Sectors

- Transport
- Trade Facilitation
- Energy
- Trade Policy

Thrust With the rapid economic expansion of the PRC and Japan to the east, the Russian Federation to the north, and India and Pakistan to the south, there is unprecedented opportunity for CAREC countries to emerge as a center of trade and commerce, achieve higher levels of economic growth, and reduce poverty.

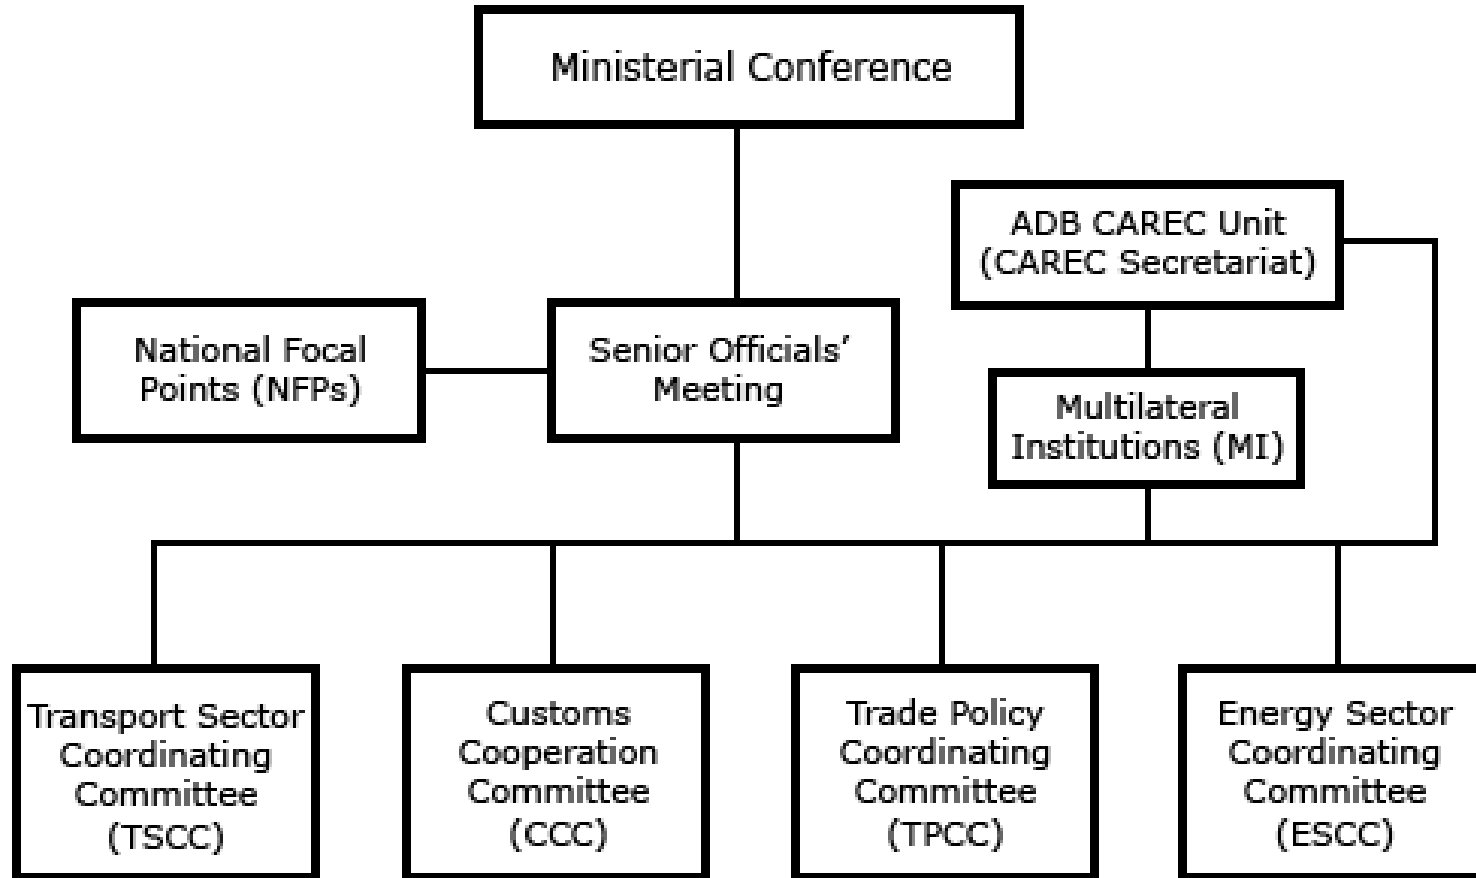

What is CAREC?

**Partnership:
11 countries and
6 multilateral
institutions**

**Action and result
oriented**

Overall Institutional Framework

CAREC 2020: Focus, Action, Results

➤ Strategic objectives

- Expanded trade
- Improved competitiveness

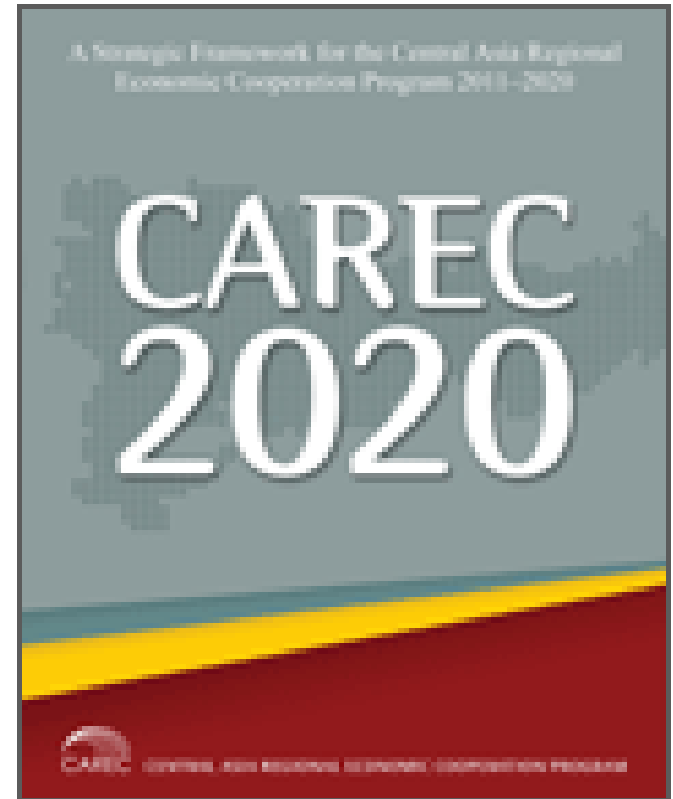

➤ Operational priorities

✓ *4 priority sectors:*

- transport
- trade facilitation
- trade policy
- energy

✓ *Economic Corridor Development*

✓ *CAREC Institute*

CAREC Strategic Agenda

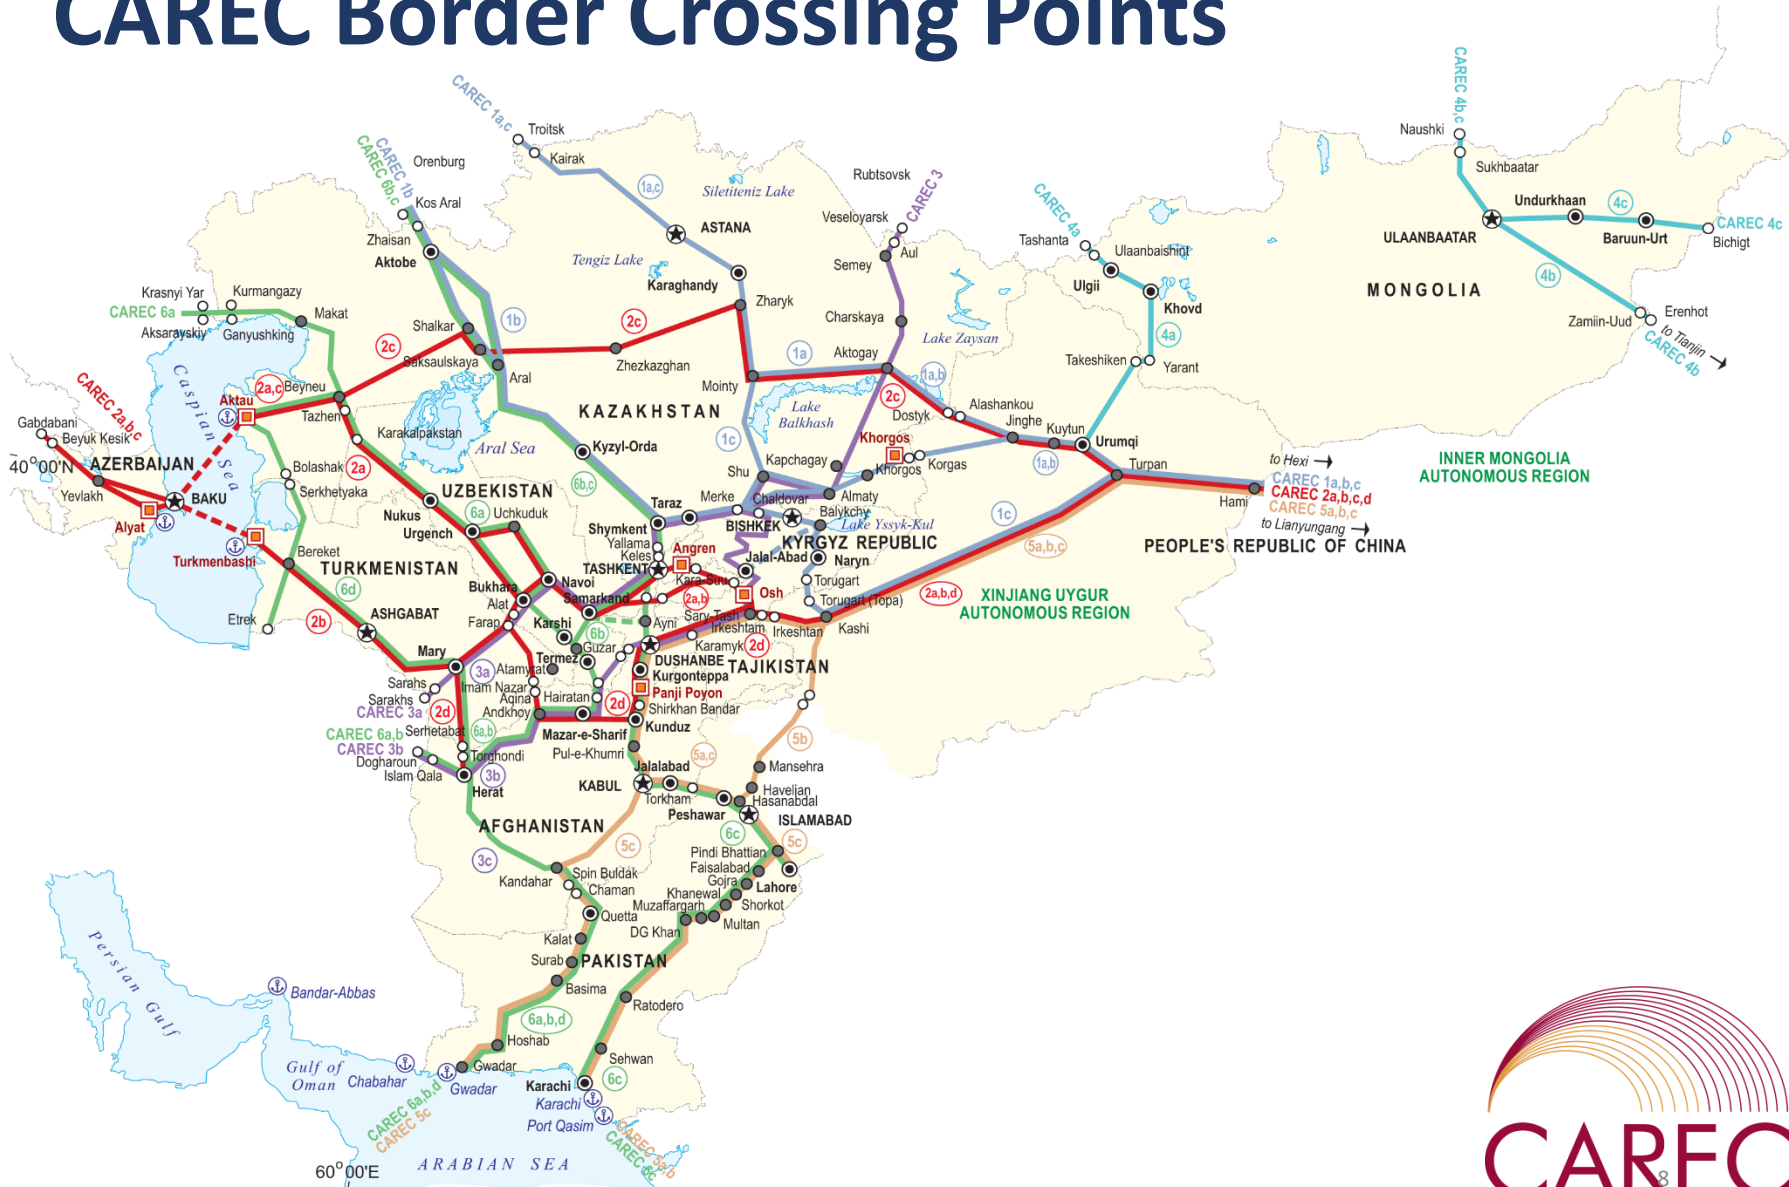

Transport Sector

- Overall operational priorities
 - Multimodal corridor network development
 - Operational and institutional strengthening

- **CAREC Transport Sector Work Plan (2015–2017)**
- **CAREC Railway Strategy (2017–2030)**
- **CAREC Road Safety Strategy (2017–2030)**

CAREC Border Crossing Points

Trade Facilitation

With the Transport Sector, implements the refined **CAREC Transport and Trade Facilitation Strategy 2020**

- Competitive corridors
- Efficient movement of goods and people
- Sustainable, safe, user-friendly transport and trade networks

Energy Sector

- **Long-term vision:** energy security, energy markets integration, and energy trade-driven growth.

- **CAREC Energy Strategy and Work Plan (2016–2020)**

1. East-Central-South Asia corridor
2. Regional Electricity Trade and Harmonization
3. Energy-water linkages
4. Financing for priority projects
5. Capacity development/knowledge management
6. Clean energy technologies

Trade Policy

Priority initiatives

- implementation of the Capacity-Building and Knowledge-Sharing Program
- advancing the World Trade Organization (WTO) Accession Knowledge-Sharing Program
- initiating the implementation of the updated Trade Policy Sector Action Plan (TPSAP) by CAREC member countries

Economic Corridor Development: Organizing Economic Activity

- Infrastructure to link markets
- Growth nodes, urban agglomeration, inter-urban links, urban-rural links
- Cross-border or domestic
- Almaty-Bishkek Corridor Initiative (ABCI)
 - MoU signed in 2014
 - In 2016, ABCI Investment Framework endorsed by MC

Supporting Industrial Park Development in the CAREC Region

- A TA to improve policy framework for Special Economic Zones and Industrial Parks (SEZs and IPs) in Kazakhstan and the Kyrgyz Republic
- 2 Outputs:
 - Diagnostic studies of KAZ and KGZ's SEZs and IPs
 - Strategic frameworks for industrial park development

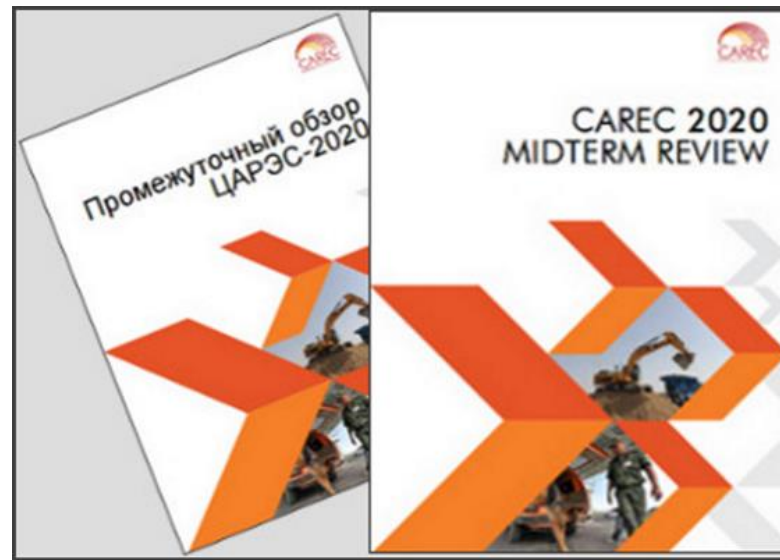

CAREC Institute (CI)

- In Oct 2013, the 12th Ministerial Conference accepted the PRC's offer to host the CI in Urumqi.
- In Nov 2015, CI's 3rd Governing Council Meeting endorsed CI's Operational program for 2016.
- By end-2015, CI's full management team was on board.
- In Oct 2016, CI's Intergovernmental Agreement (IGA) was signed by 4 countries in Islamabad.

CAREC 2020 and CAREC 2025

Completed in 2016,
CAREC 2020 Midterm Review
recommends to:

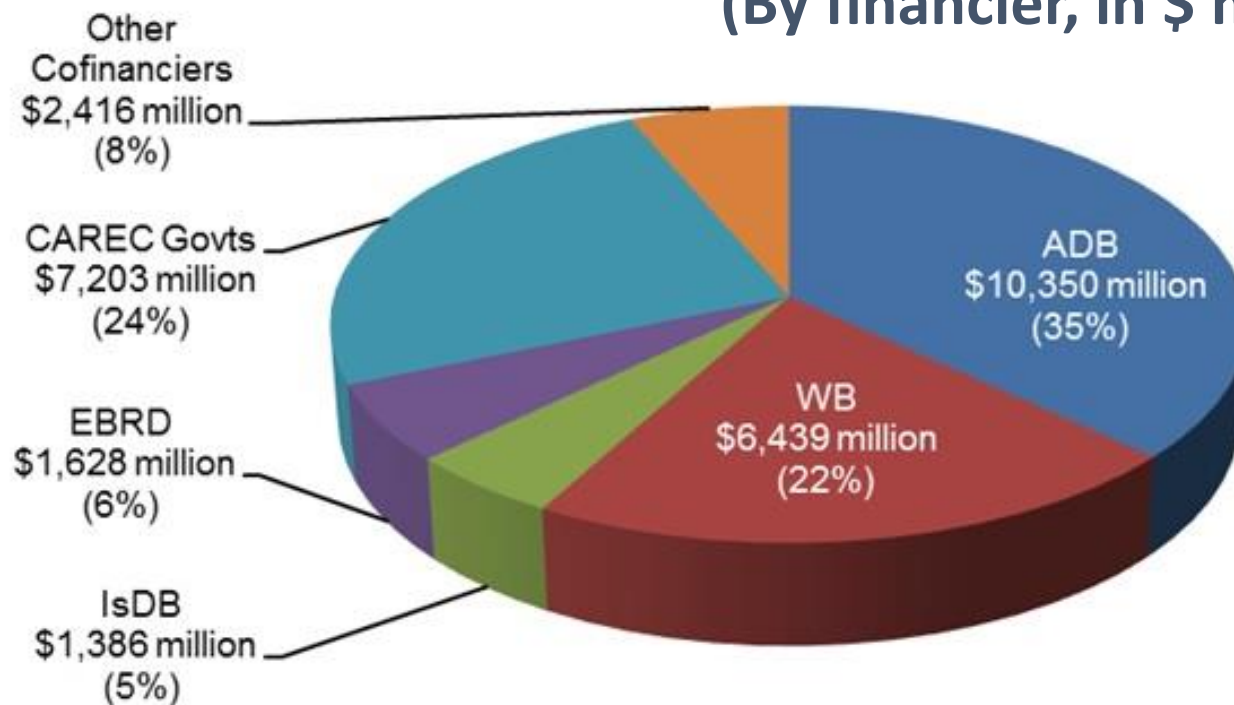

1. Complete CAREC 2020 agenda
2. Revisit CAREC's objectives to ensure strategic coherence
3. Broaden CAREC agenda
4. Revisit working group structure and establish informal Expert Groups
5. Develop new partnership strategy

CAREC Strategy 2025 for completion by
November 2017 and endorsement at the
16th Ministerial Conference in Dushanbe.
