

# **Way Forward for Cooperation on the Economic and Financial Stability Cluster**

CAREC National Focal Points' Meeting  
9-10 October 2018  
Ashgabat, Turkmenistan

# Directions from CAREC 2030

---

## Introduction

“CAREC can provide a regional forum to develop common approaches, and learn from regional experience in **sustaining economic growth** and in the application of **countercyclical policies** to mitigate economic downturns”.

## CAREC 2030 Driving Principle

“Deepening **policy dialogue** based on CAREC’s standing and ability to deliver quality knowledge services”

## Mission Statement

“A regional cooperation platform to connect people, **policies** and projects for shared and sustainable development”

# Scope of the Cluster 1

## Economic and Financial Stability

Macroeconomic Policy Coordination

Promoting Financial Stability

Strengthening the Investment Climate

# Audience, Outputs and **Platforms**

---

## **Audience**

- Central Banks, Financial Sector Regulators, Ministries of Finance and Economy, and other Sector Ministries

## **Outputs**

- Knowledge events and analytical products
- Policy seminars and regulators' forums
- Institutionalized arrangements for cooperation

## **Main platforms**

- Annual seminars
- Peer-to-peer learning events and workshops
- Roundtable discussions at the Ministerial Conference on topics of policy significance

# Possible topics for **Policy Dialogue**

---

- ❑ Public investment requirements and debt sustainability in CAREC countries
- ❑ Policies and perspectives on inclusive growth
- ❑ How to promote greater economic diversification in the region?
- ❑ Regulatory and tariff reform for greater energy trade in CAREC countries

**THANK YOU FOR YOUR ATTENTION**
