Sustainable Tourism

We invest in the long-term development of off-the-beaten-track destinations by providing information on our website www.advantour.com.

A word cloud of Uzbekistan destinations, with the text arranged in a roughly rectangular shape. The words are in various sizes and orientations, with some being bold and others in a lighter font. The destinations listed include Termez, Fergana, Kokand, Margilan, Navoi, Shakhimardan, Nukus, Jizzakh, Yangiabad, Boysun, MUYNAK, Karshi, Chimgan, Nurata, Sarmish-say, Rishtan, and KUYVA.

Termez Fergana Kokand Margilan Navoi
Shakhimardan Nukus Jizzakh
Yangiabad Boysun MUYNAK Karshi
Chimgan Nurata Sarmish-say Rishtan KUYVA

Our site doesn't only attract people who join our tours – independent travellers also learn about these destinations from the information we provide.

We collaborate closely with family-owned hotels, guesthouses, and 'national houses' (where locals provide meals to visitors in their homes).

We try to identify off-the-beaten-track destinations and communities where a flow of tourists will improve the economic situation for many households.
