

**Workshop on  
Trade in  
Services and  
Digital Economy  
Statistics for  
Mongolia**

**Ulaanbaatar  
20-23 March 2023**

**Session 17**

**Elaboration of a national roadmap for  
the development of SITS and FATS  
and of a national roadmap for the  
development of e-Commerce  
statistics in Mongolia:**

**Questions for SITS and FATS**

Thierry Coulet

# The Development of a National Roadmap: Key Questions to be answered

- What are the **major strengths and the major weaknesses** in your current ITSS?
- What are the **major data gaps and methodological discrepancies** with regard to international standards?
- What is the **nature of the problems faced** in each case? (methodology, access to data sources, compilation, H&IT Resources etc.)
- **What result(s) could be achieved** in the short / medium / longer term?
- **Prioritization of expected results and issues to be addressed**

# The Development of a National Roadmap: Key Questions to be answered

- **Action plan and calendar**
- What external **support would be required?**
- **Result** of the exercise: Short presentation (c. 15 min., 2/3 slides or bullet points) to share and discuss conclusions reached
- **Constitution of the group and working method**

**Thank You**
