OUR CONTRIBUTION

TO THE DEVELOPMENT OF SOCIETY

Commitment to company values, respect to people, cooperation, investment in future generations, culture, arts, sport and environmental protection are the key pillars of social responsibility in Technodom.

We make efforts to make a difference for people by supporting charity, social, sports, cultural and educational projects in Kazakhstan

THEATER

In 2021 Technodom becomes a strategic partner for the Kazakh National Opera and Ballet Theater after Abay, one of the largest theaters in Eurasian space.

CINEMA ART

We finance motion picture art to support domestic film industry, film distribution, filmmaking, promotion of national movies and young producers.

CHARITY

For many years our company has been providing targeted assistance to the veterans and orphanages, developing the inclusive environment. We have partnership relations with the community centers and charity foundations.

Love nature, love Kazakhstan!
