through technology and innovation ecosystem  
by the example of High tech park of KG**

# Quick glance at the HTP

The parliament has promulgated special law on the HTP in 2011.

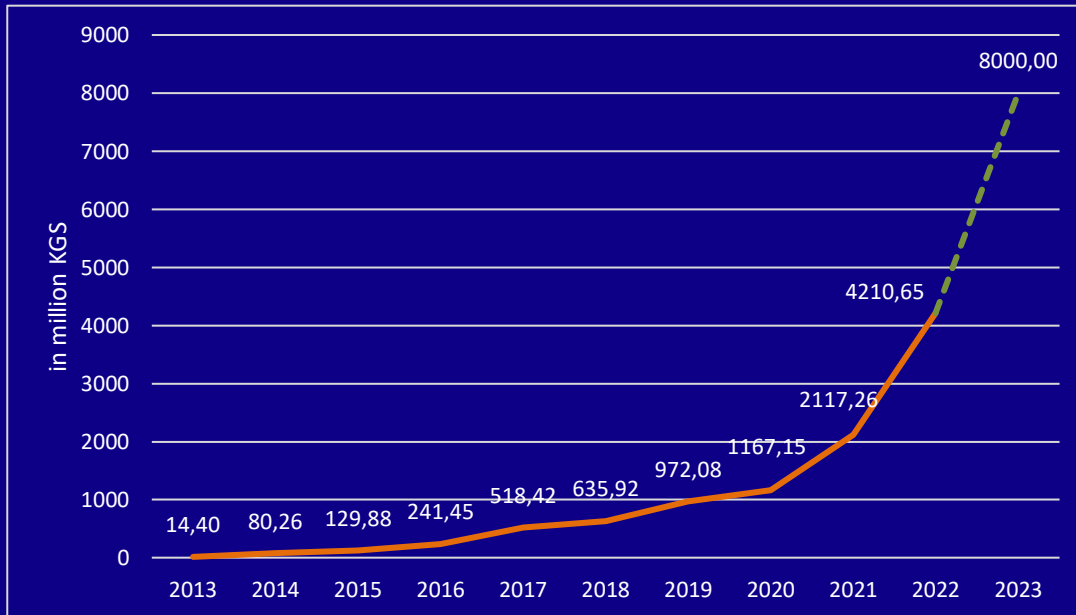

The Government has then established the HTP administration, as a body to manage the IT development process

Companies disburse 1% of their revenues towards HTP budget for IT development

# HTP companies are dynamically growing

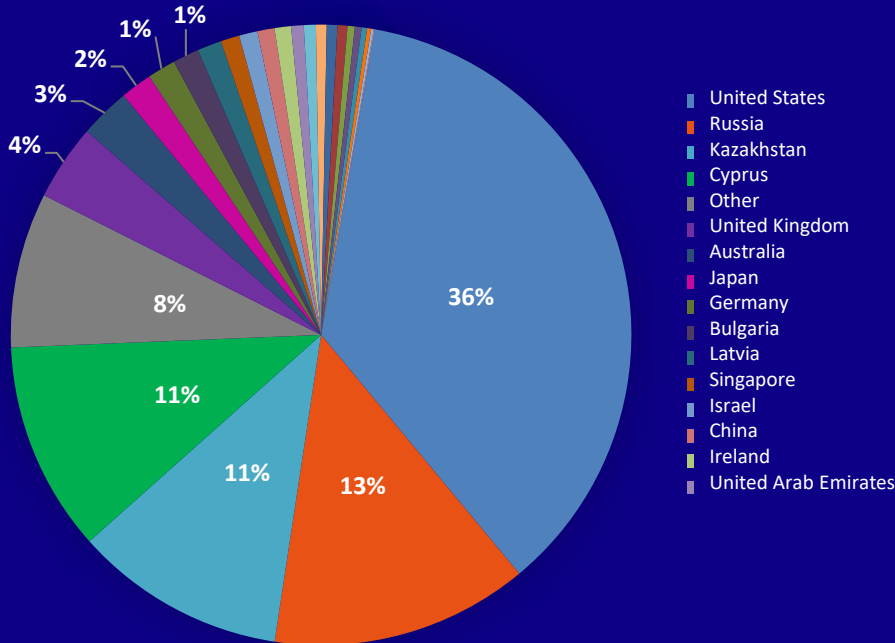

## HTP Aggregate Revenue

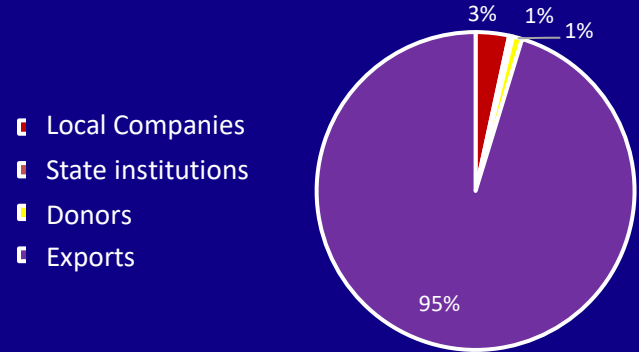

- ❖ >350 tech companies are registered at the HTP with more than 2500 employees
- ❖ 95% of revenues are exports
- ❖ HTP exports to more than 54 countries
- ❖ Turnover for 2022 - \$49.4 mln (\$ 25mln. In 2021)
- ❖ Goal for this year is \$100mln.

# 2022 Revenue Breakdown
