

CAPACITY BUILDING IN MONGOLIAN CUSTOMS

**Mr. M. Batbayar,
Director, Human Resource Division**

*Customs Cooperation Committee Meeting,
6-10th September. Tokyo, Japan*

Why capacity building is needed

- ▶ Trade facilitation
- ▶ Customs modernization
- ▶ Customs new technique
- ▶ ICT Automation
- ▶ Change management

What we are doing

- ▶ New recruitment policy
- ▶ From Customs college to Research & Development Center
- ▶ WCO E-learning program

CAPACITY BUILDING ASSISTANCE

- ▶ WCO, ADB's seminars and training activities
- ▶ A tri-partite agreement with the WCO and Dutch Customs signed in December 2008
- ▶ Dutch Customs provided training programs on PCA, Risk Management, Customs Management
- ▶ Bilateral training: Shanghai Customs College, Dutch Customs, Turkish Customs, etc.
- ▶ USAID

Training on CAIS

1. In-country training:

- ▶ Customs officers workshop-92% attendance
- ▶ IT staff training

2. Training in Republic of Korea:

- ▶ Training on Customs Control, RM, Statistics, Customs Laboratory, ICT, AEO

Capacity building in 2011-2016:

1.Capacity building for organization

- Adequate organizational structure
- Power enabling legal environment
- Integrity
- External relations

2.Capacity building for customs officers

- Adequate knowledge
- Customs professionalism
- Service culture
