Association of international road carriers of Azerbaijan - ABADA

ABADA was established in 1993. ABADA is as non-governmental not-for-profit association of the Azerbaijan companies involved in international transportation of cargoes by motor vehicles.

The Order of the Cabinet of Ministers of Azerbaijan assigned the ABADA as a safeguard for the TIR Customs Convention in Azerbaijan.

Since 1993, ABADA has been a member of the International Road Union (IRU) and maintains close connections with all international associations in the world.

ABADA takes part in the work on development of international and national projects and programs related to the international road transportations, including revision of the Customs Convention TIR.

ABADA represents the interests of the Azerbaijan carriers in the working bodies of the International Road Transport Union.
