

Highways Workshop

22–23 May 2023 • Tbilisi, Georgia

Семинар по автомобильным дорогам

22–23 мая 2023 года • Тбилиси, Грузия

Scaling up Support for Road Asset Management

Michael Anyala

Senior Road Asset Management Specialist,
ADB

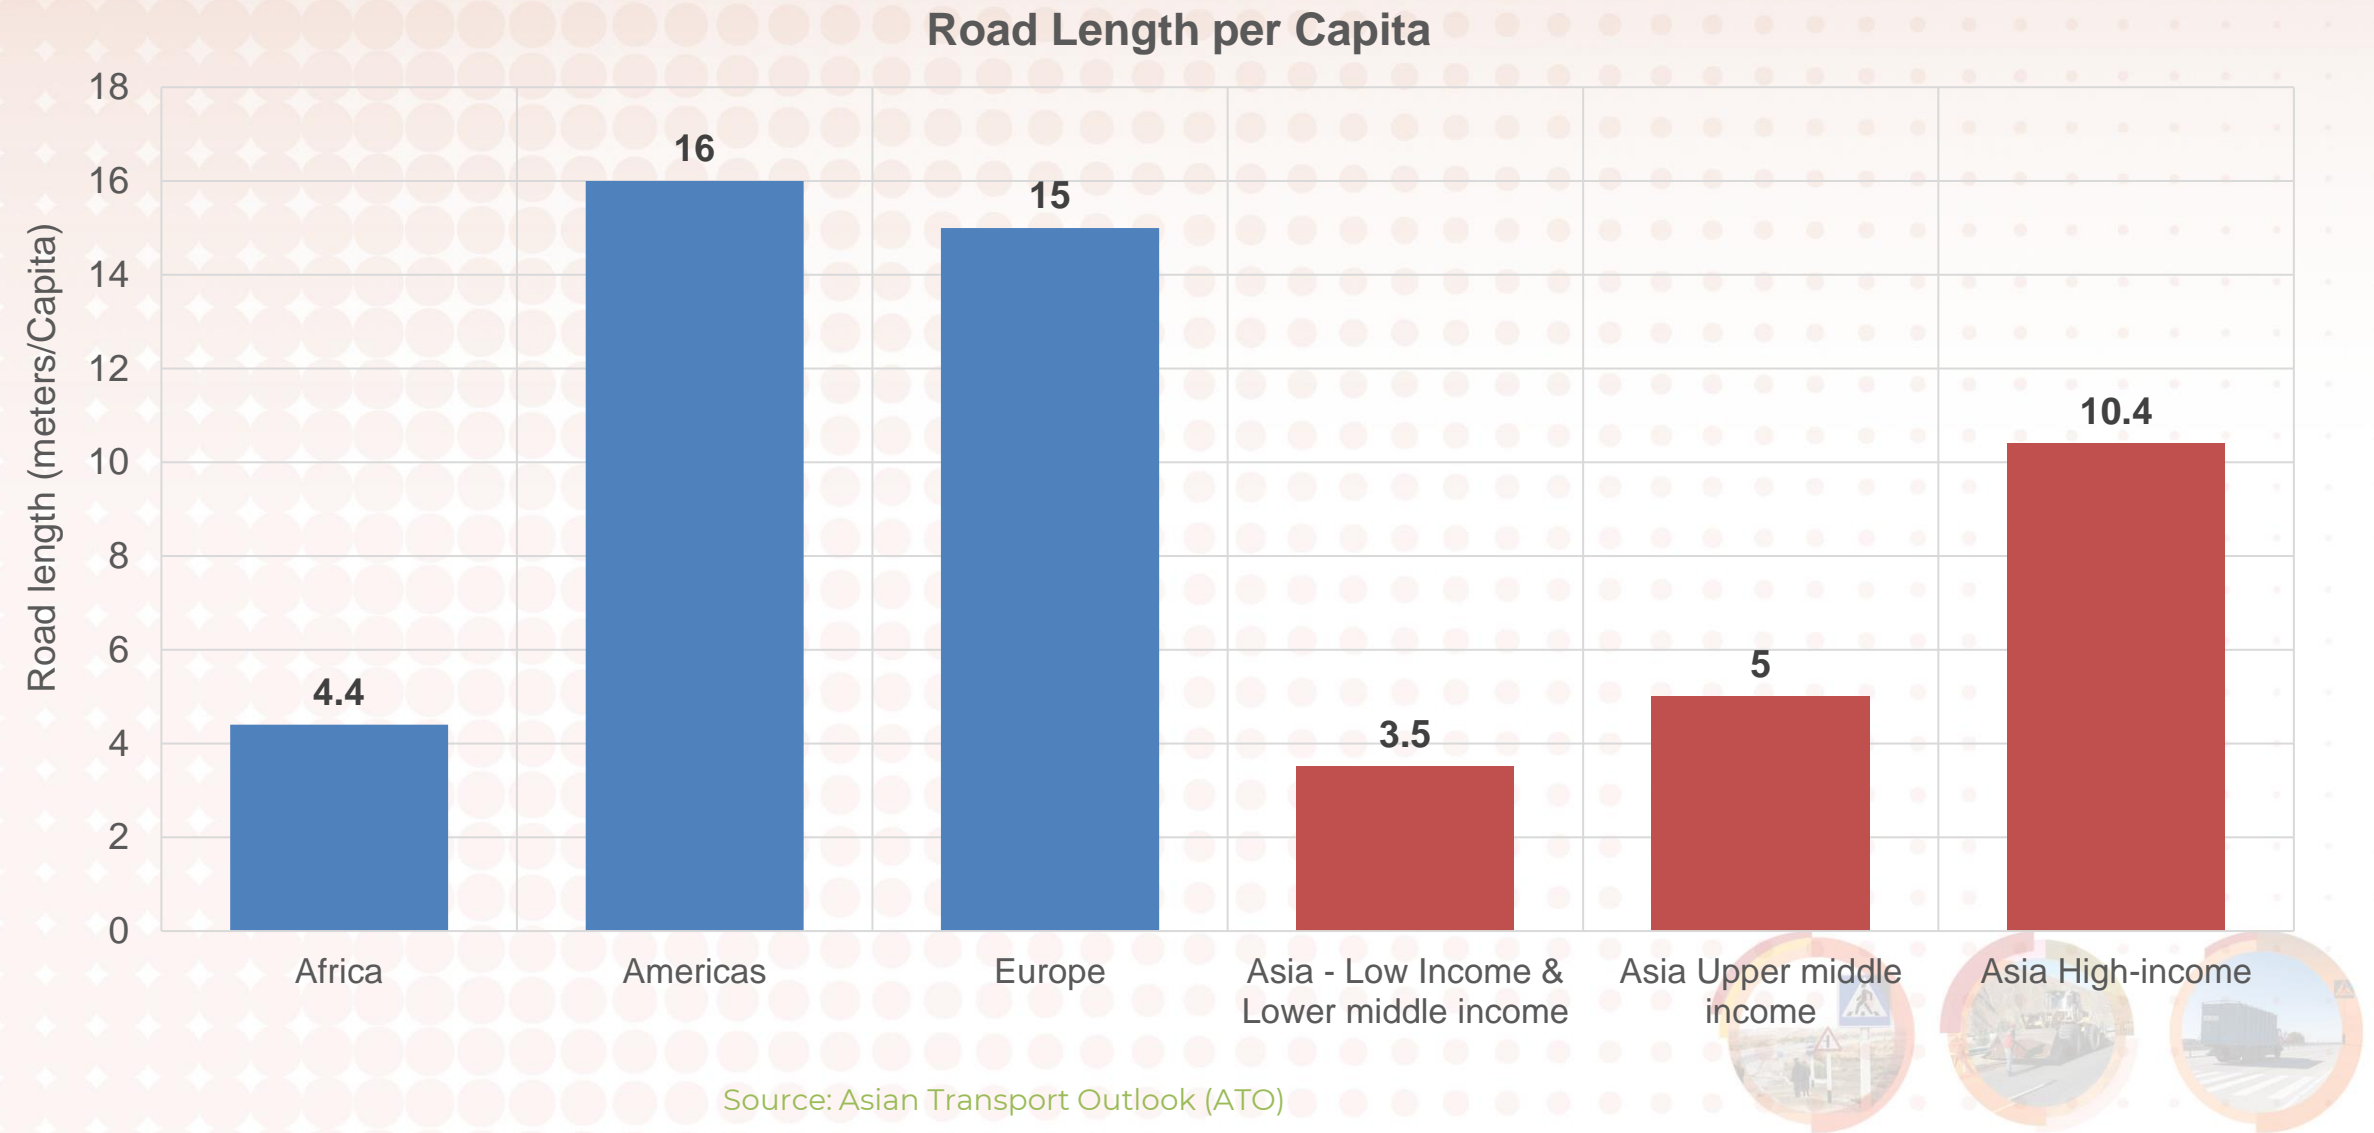

Summary

1. Regional Context and Challenges
2. Focus of ADB Support for Roads and Road Asset Management
3. Knowledge Studies and Capacity Building Initiatives

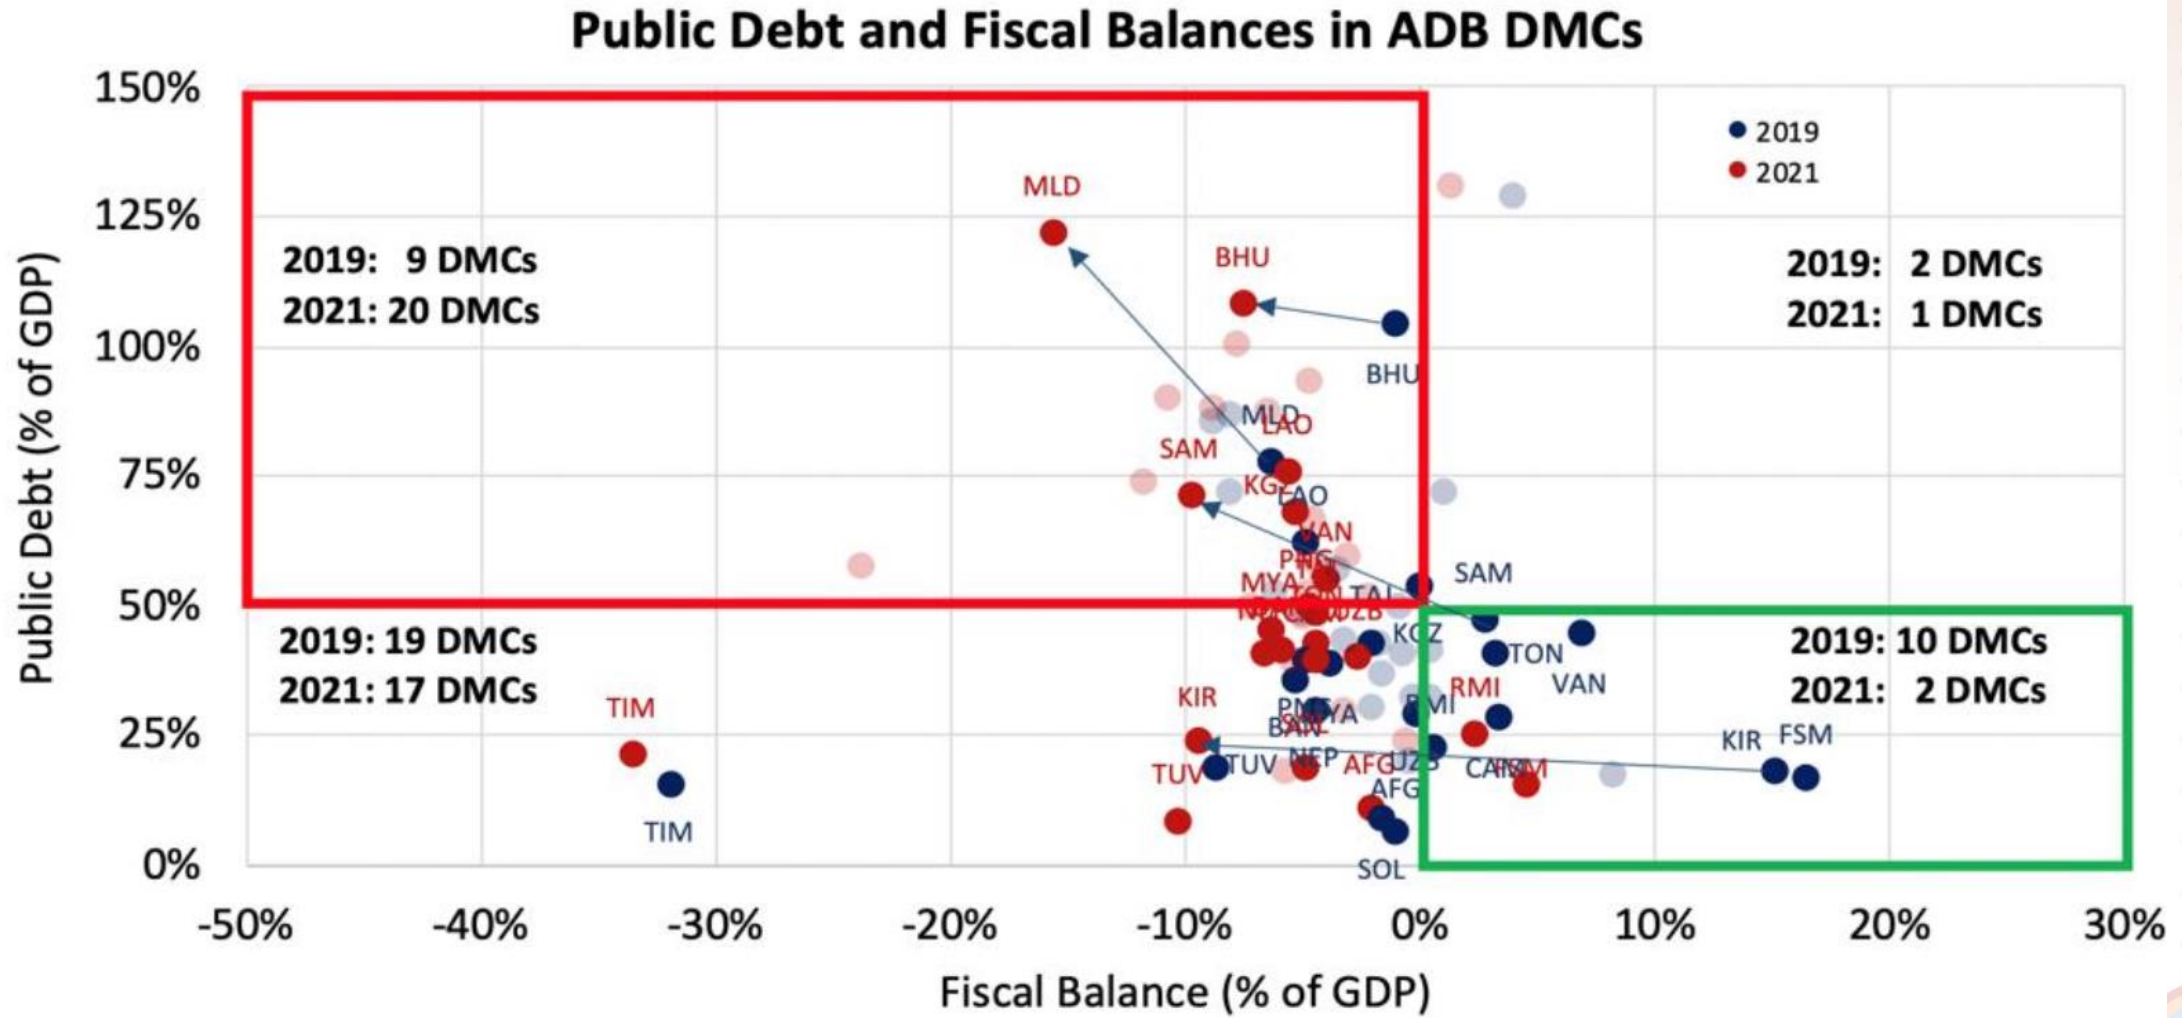

Road infrastructure deficit is more marked in lower income economies

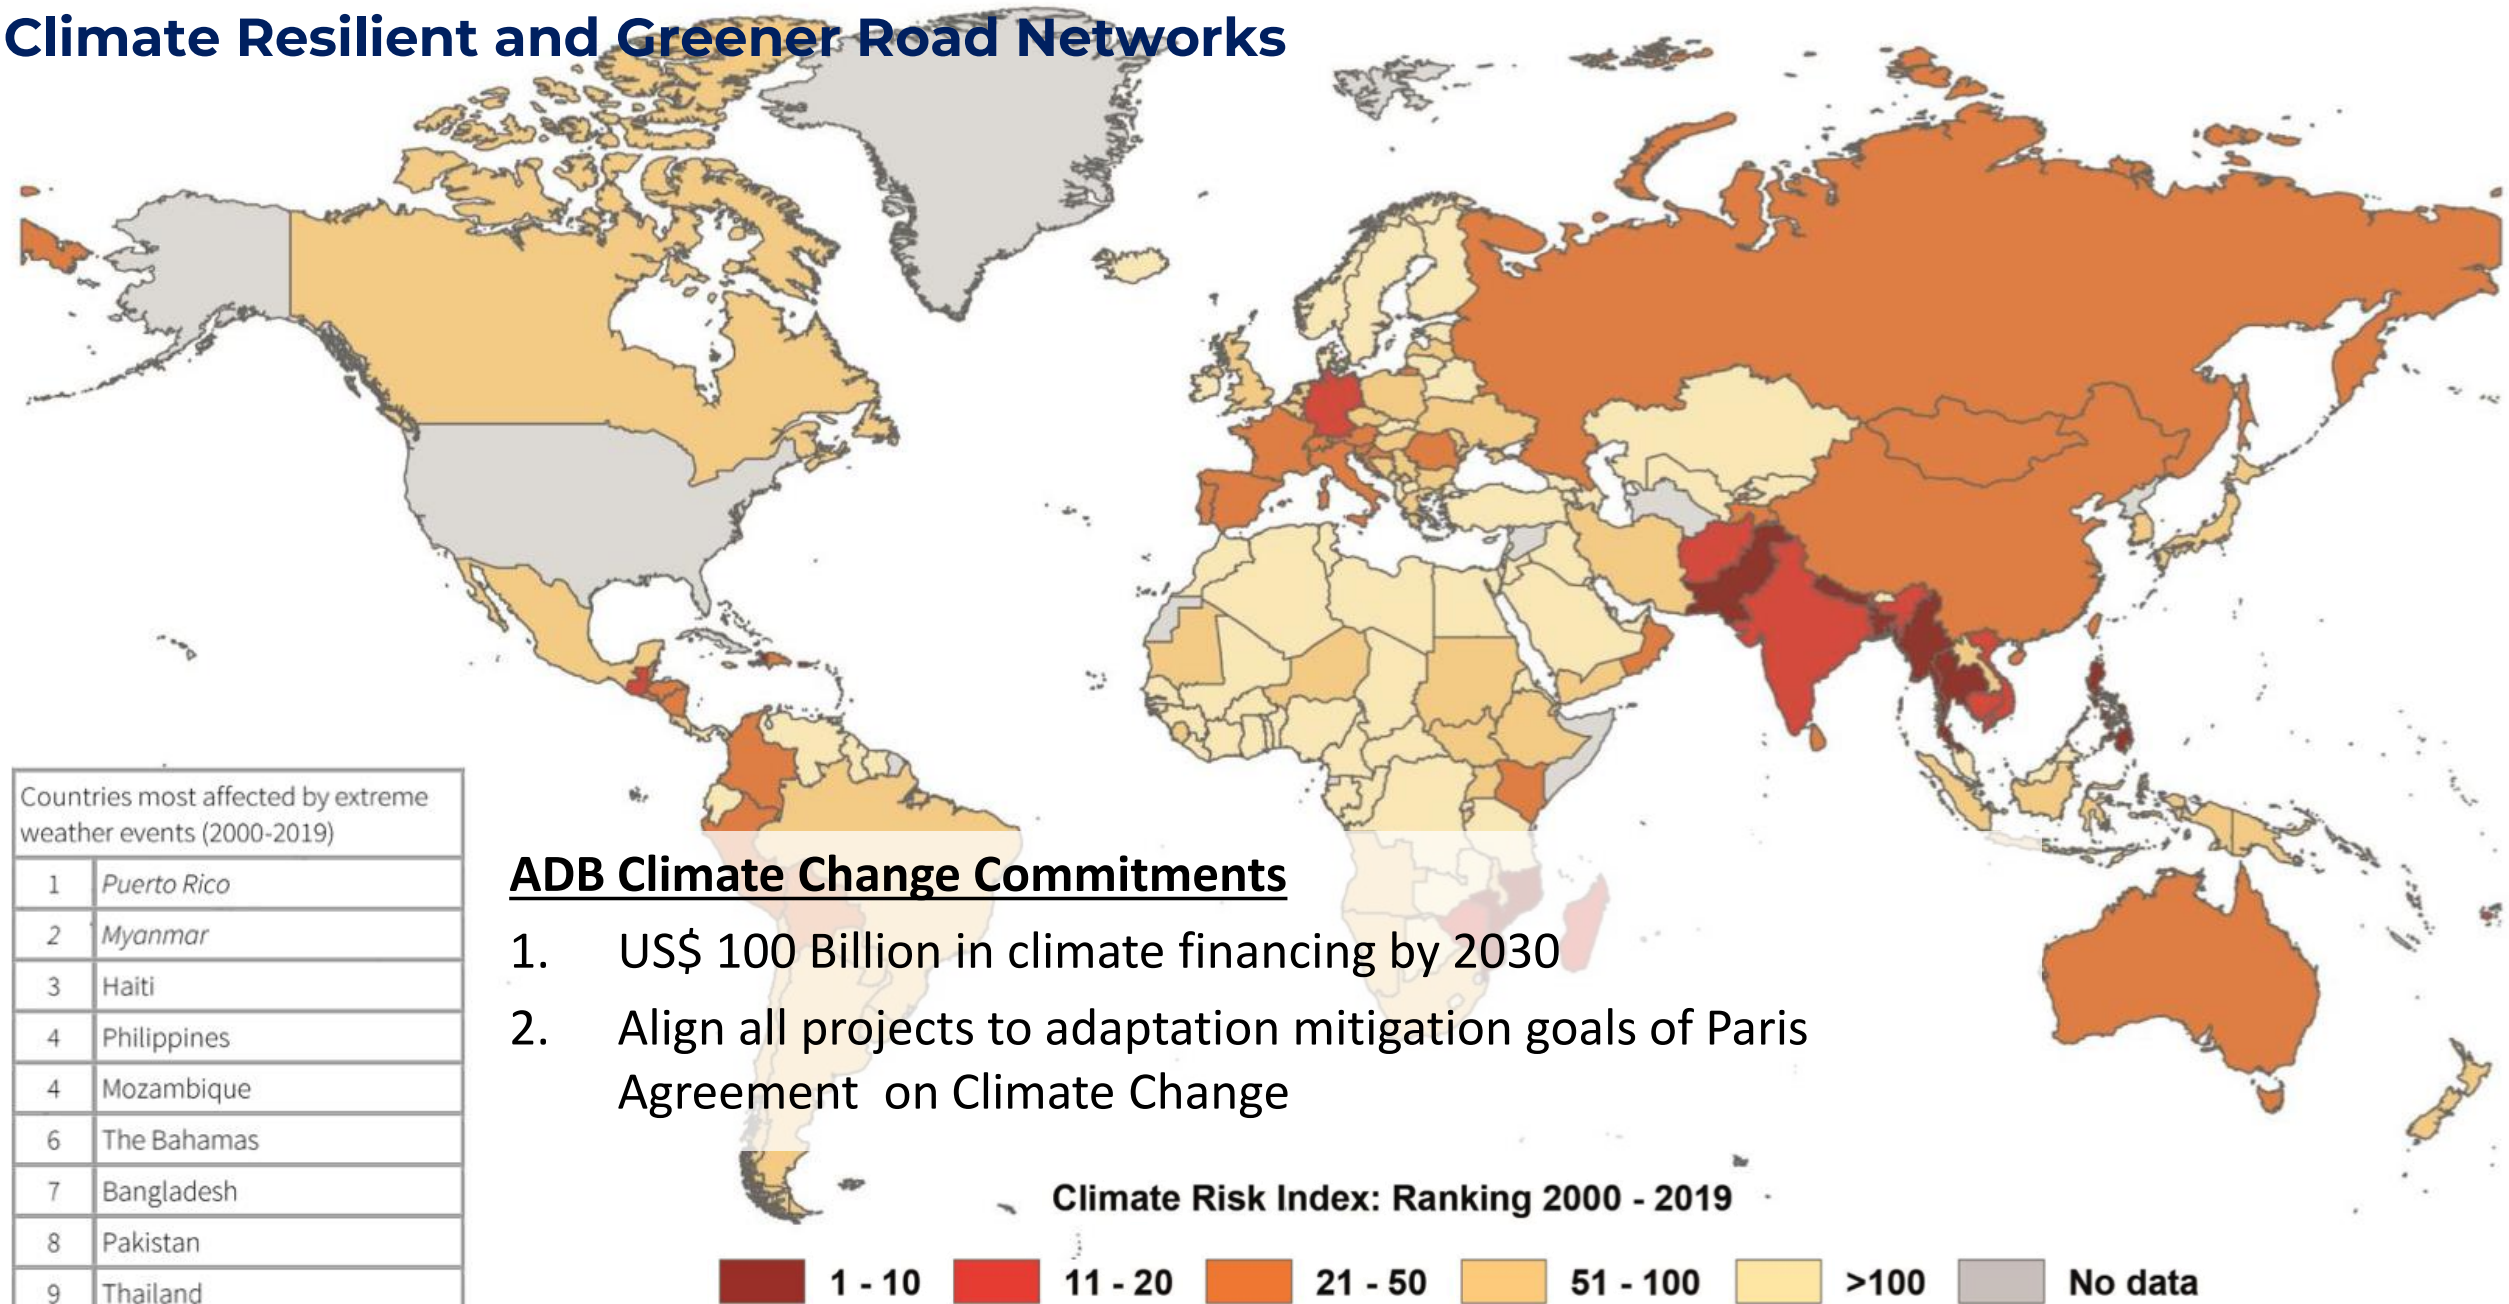

Source: Asian Transport Outlook

Declining fiscal space for infrastructure Investments

Source: ADB Projections using data from the World Economic Outlook (WEO) October 2019, WEO April 2020, and Asian Development Outlook (ADO) Update, September 2020

Climate Resilient and Greener Road Networks

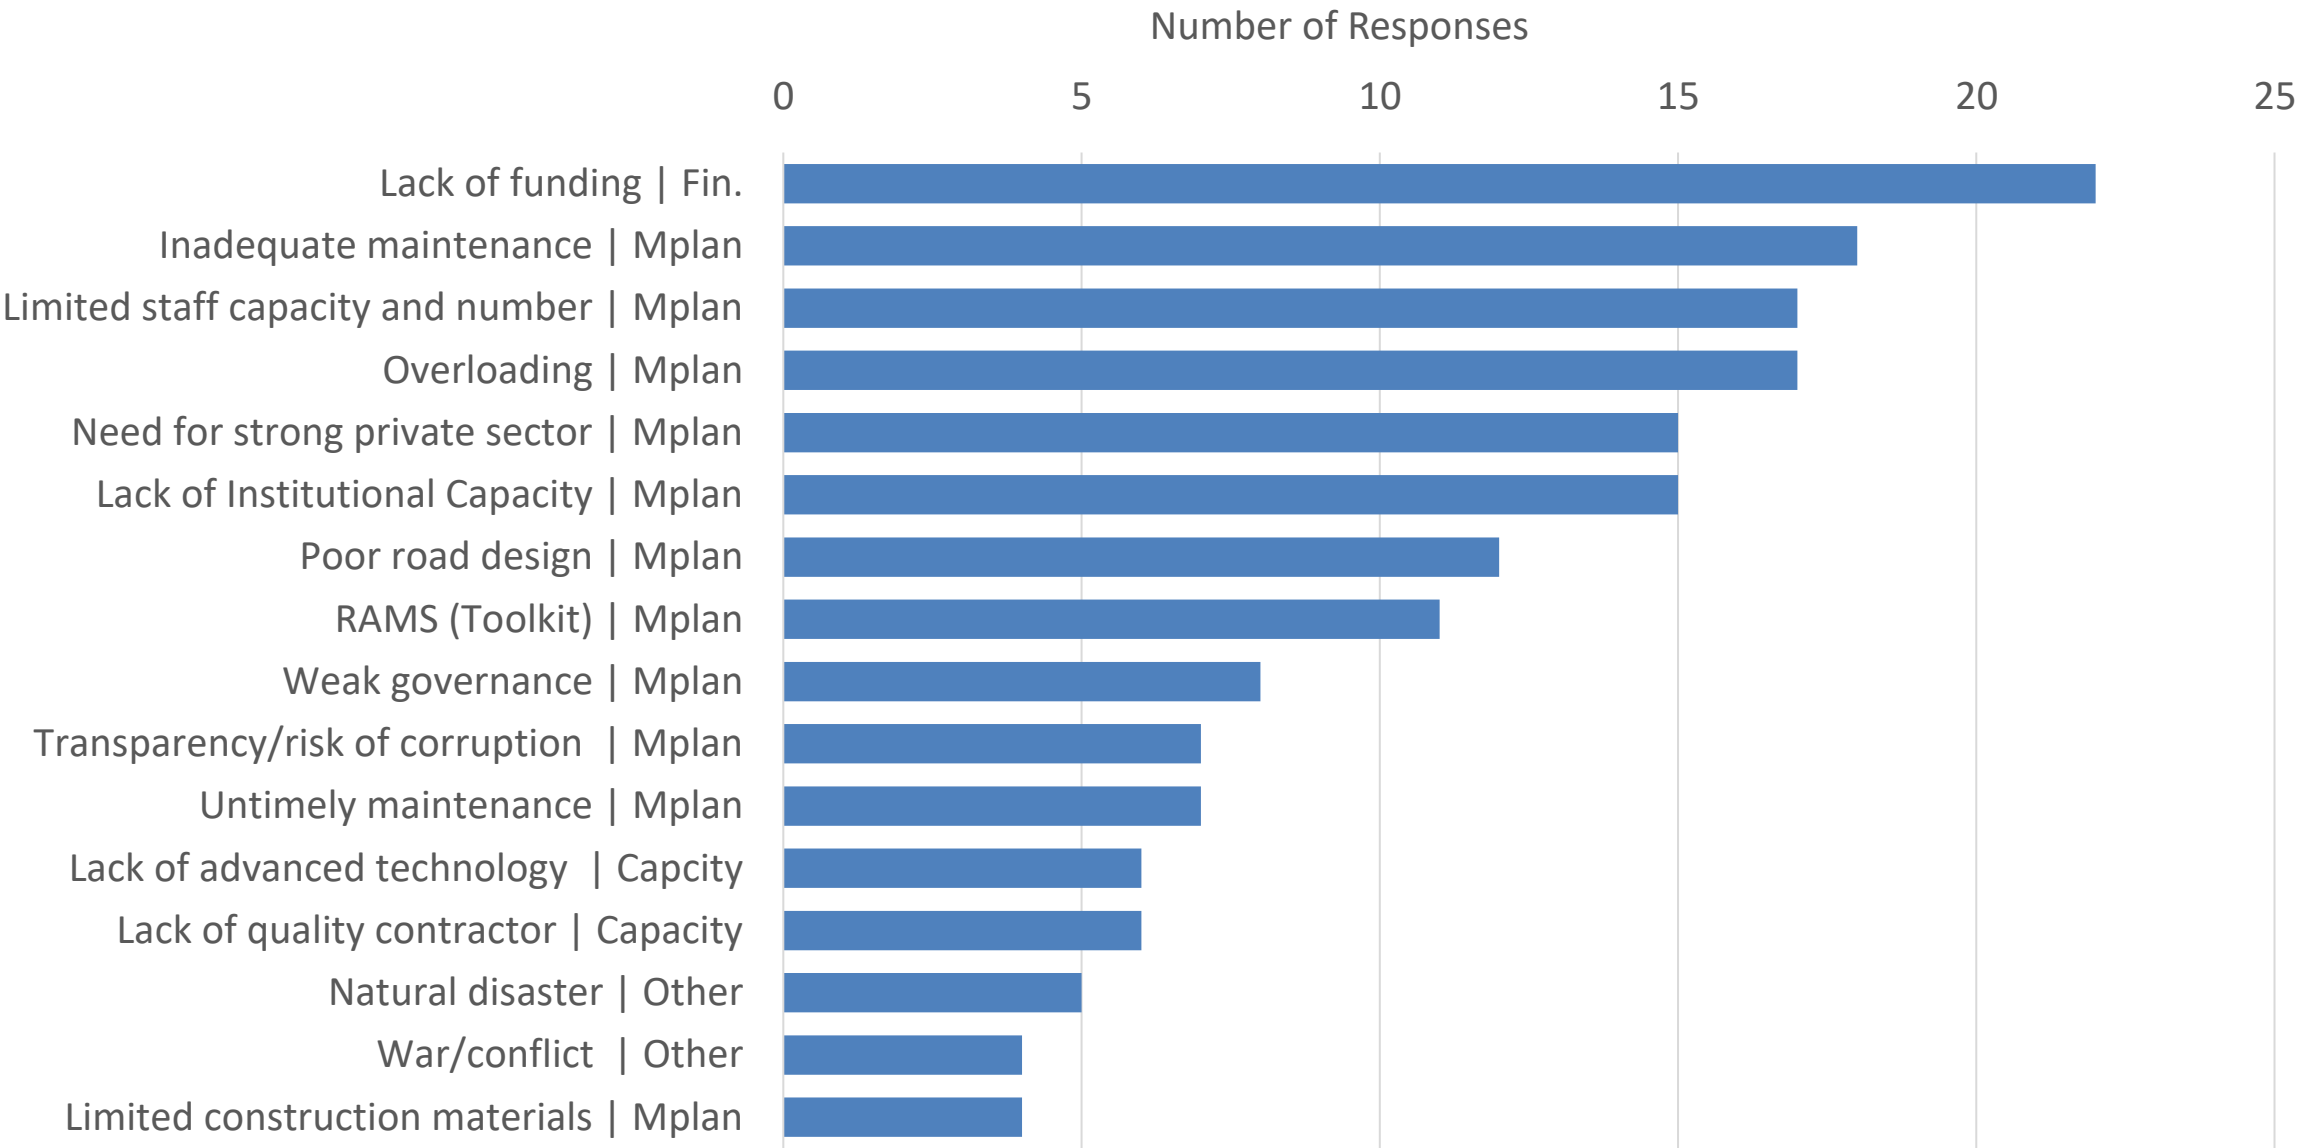

ADB Climate Change Commitments

1. US\$ 100 Billion in climate financing by 2030
2. Align all projects to adaptation mitigation goals of Paris Agreement on Climate Change

Source: Germanwatch and Munich Re NatCatSERVICE

Road Management Issues in DMCs

Selected Focus of ADB Support for Roads

STRATEGY 2030 TRANSPORT SECTOR DIRECTIONAL GUIDE

NOVEMBER 2022

1. Providing equitable access
2. Ensuring sustainability of assets
3. Affordable and reliable transport services
4. **Supporting asset management programs including climate adaptation**
5. **Capacity building to deliver routine and periodic maintenance programs**
6. **Promoting full range of funding sources including budget support, cost recovery, public private partnerships, results- and policy-based lending modalities**
7. **Institutional reforms with increased focus on policy and programmatic support**
8. Transport sector decarbonization through avoid-shift-improve principles
9. Road safety programs

Knowledge Studies and Capacity Building

Ongoing Knowledge Studies

1. Mapping the Future of Road User Charging
2. Developing Green Roads Toolkit and Guidance
3. Risk-Based Asset Management Guide for Improved Resilience of Road Networks

Planned Trainings and Workshops

1. Transport Resilience Workshop 5 – 7 September, ADB HQ
2. Cross-sector Asset Management Workshop, 2024
3. Highway Development and Management Training (HDM-4) , 2024

Thank you
