imp., tranz. – 1 mln.tn

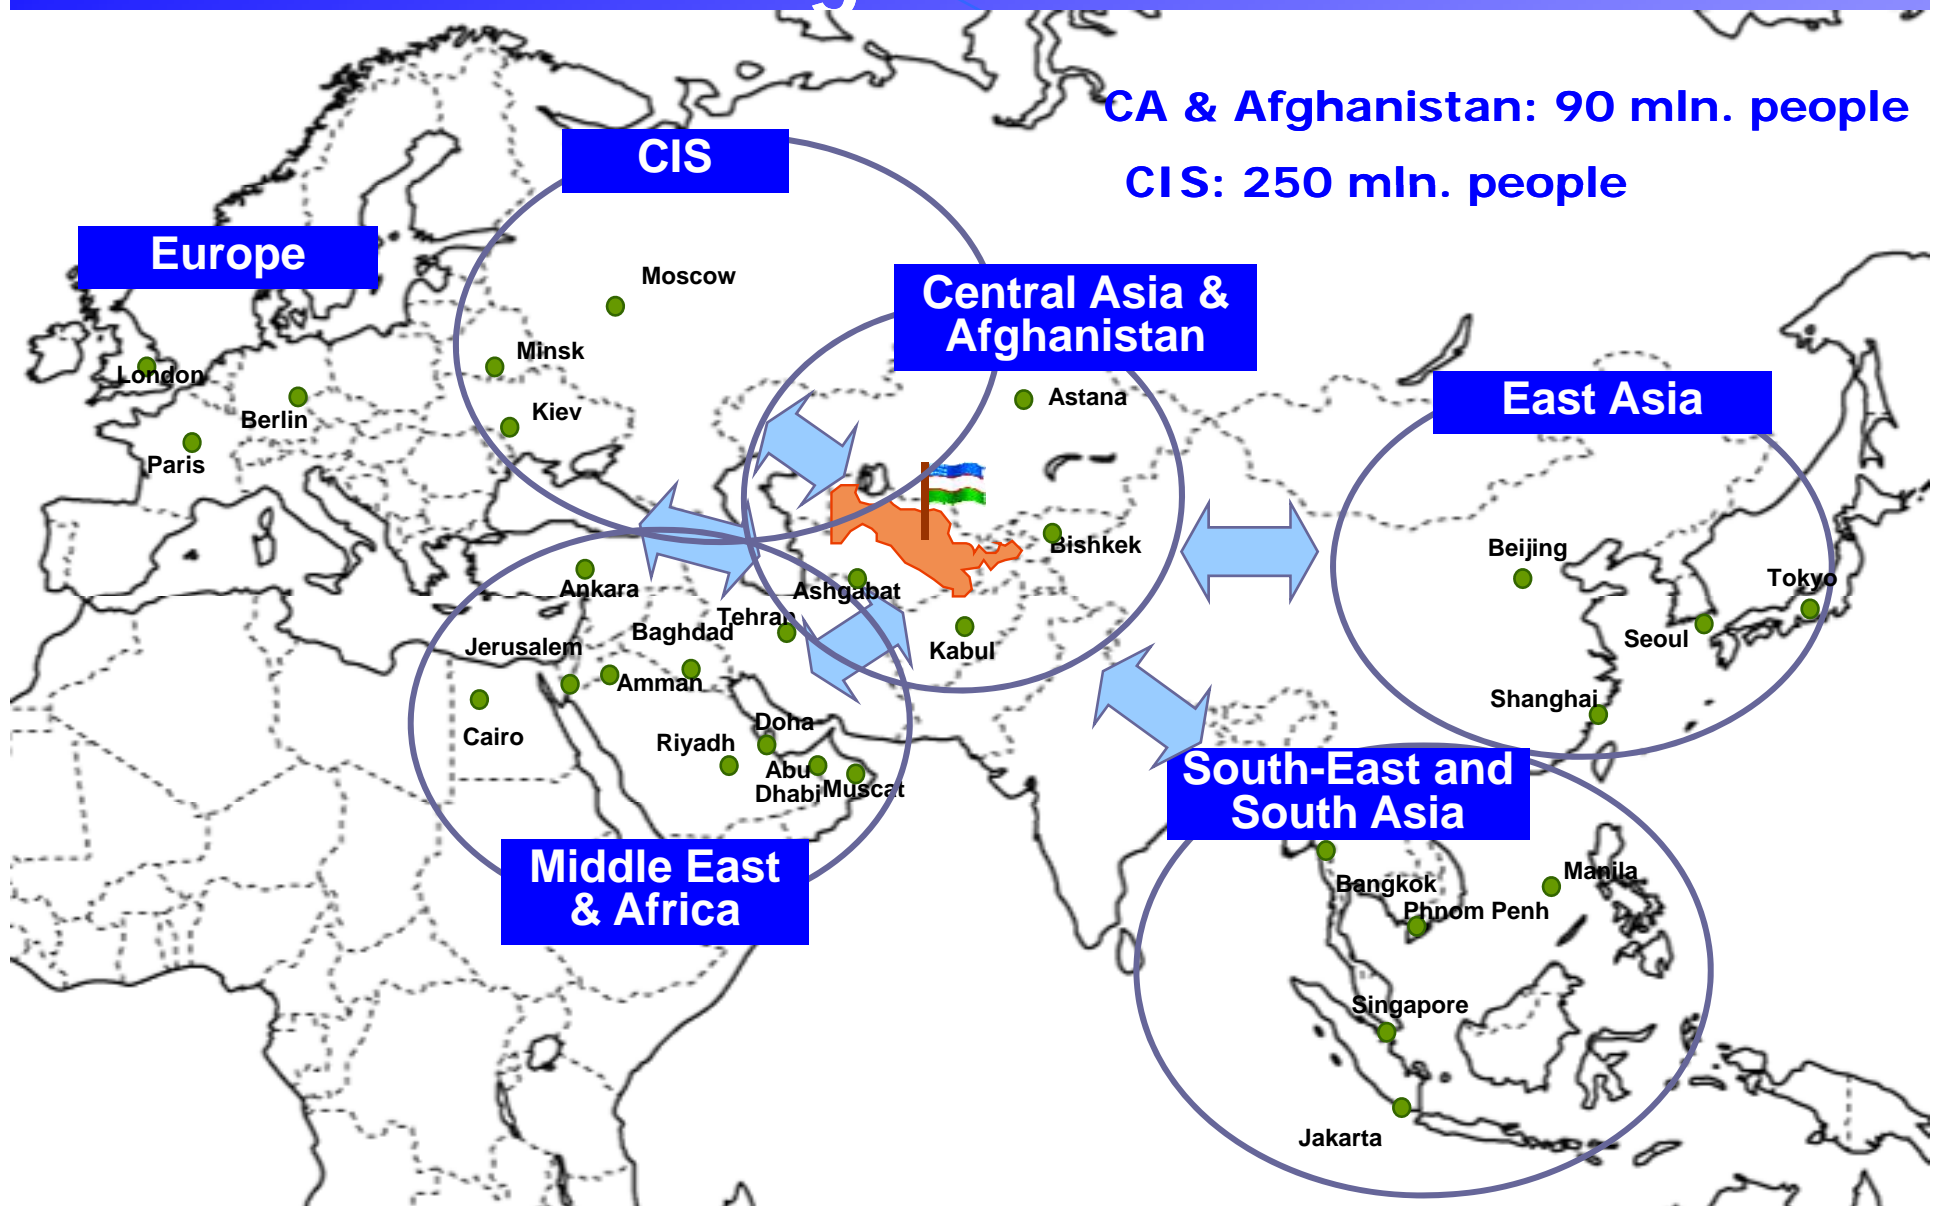

## New programs

---

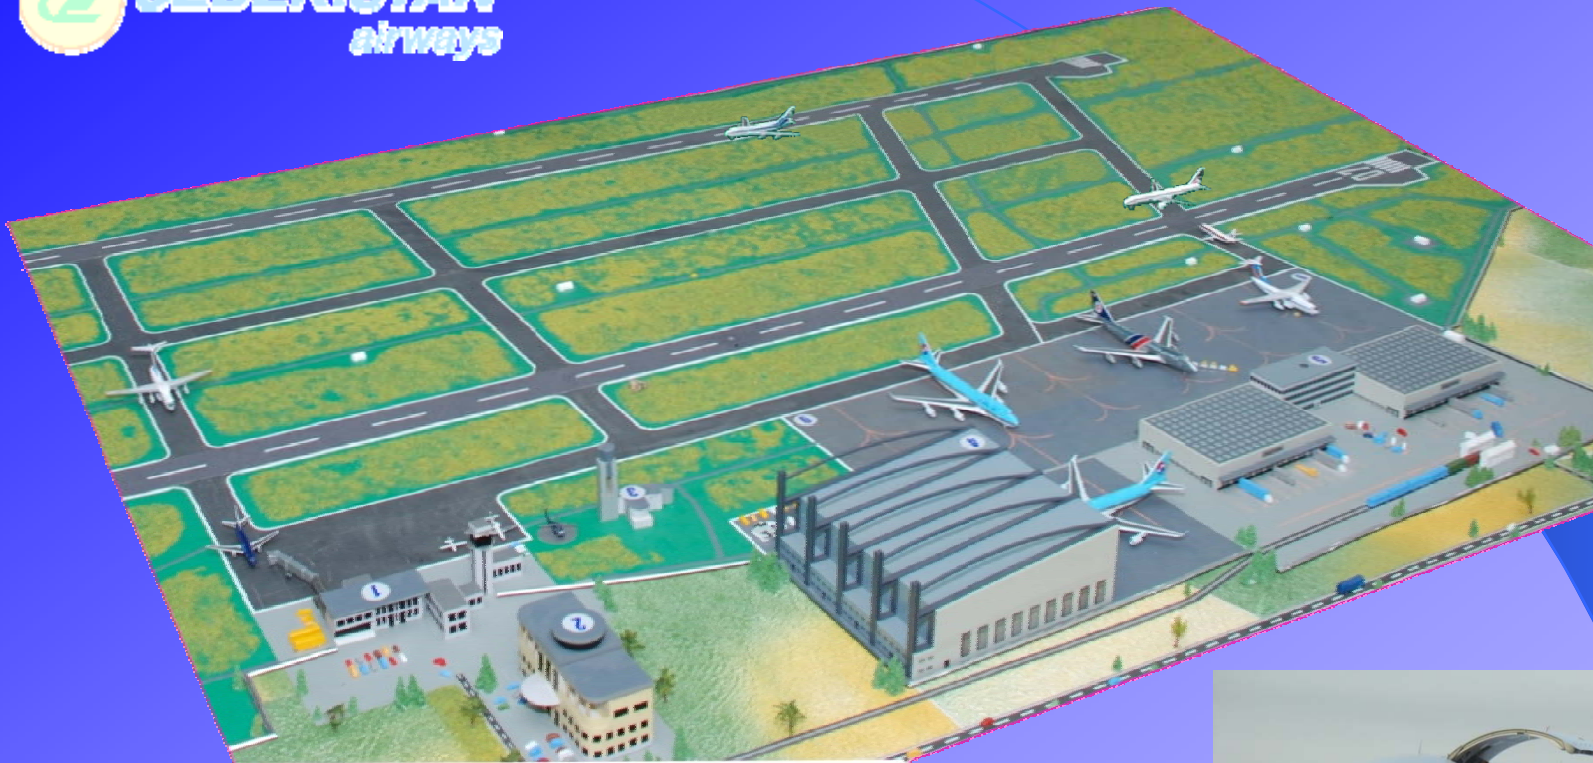

- 22 April 2009 was adopted Program on development of Uzbek national highway for the period up to 2014 with total length of 1501 km, including:
- Beyneu-Kungrad-Bukhara-Navoi-Samarqand-Tashkent-Andijan (E-40)
- Bukhara-Alat (M-37)
- Bukhara-Karshi-Guzar-Termez & Samarqand-Guzar (M-39)

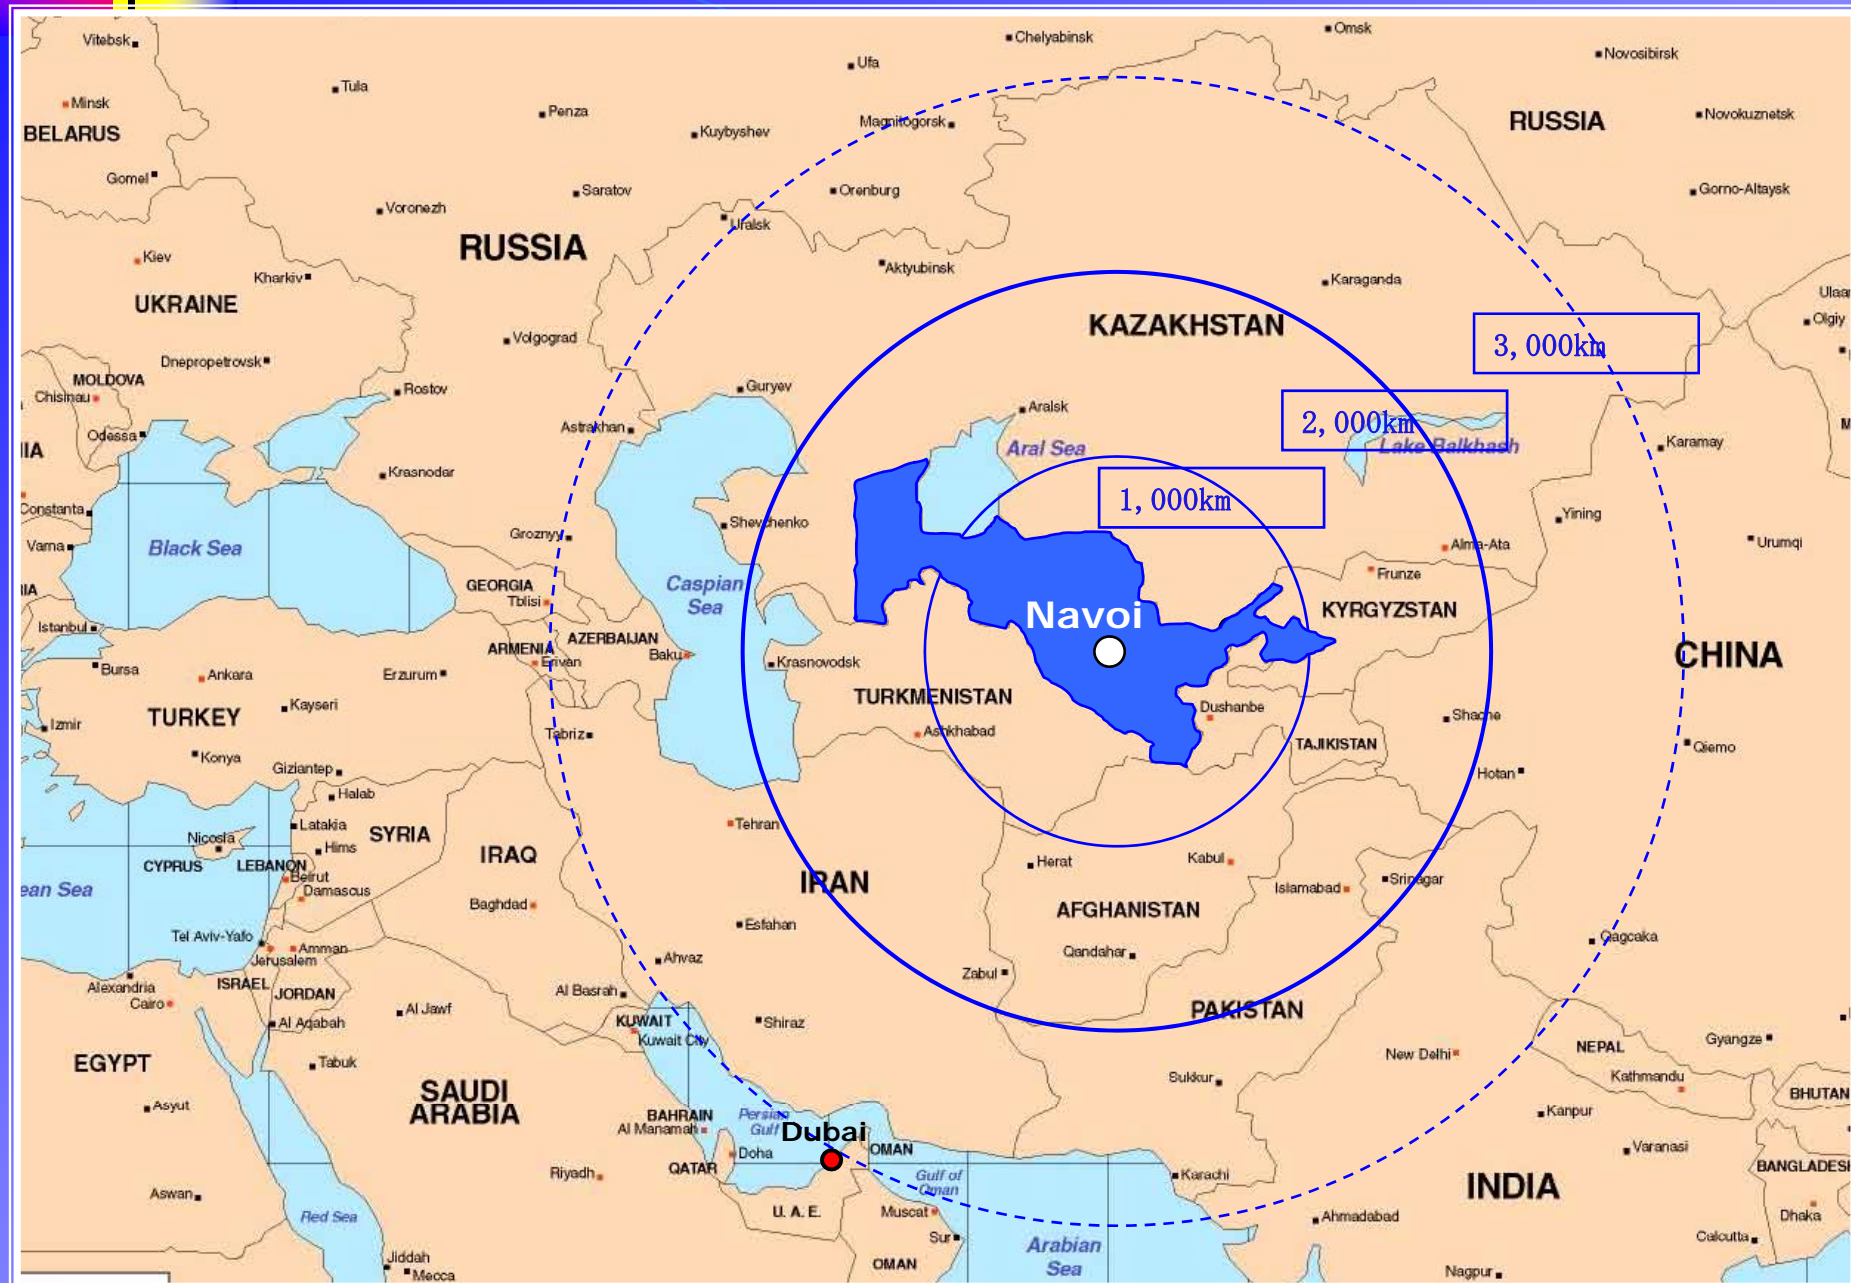

# Geographical location close to the largest markets

# Navoi International Airport

# International logistics centers

International logistics centers (ILC) will serve as transshipment and transit-transfer base for all types of cargo, conveyed along regional transport corridors

ILC will be established alongside major transit corridors

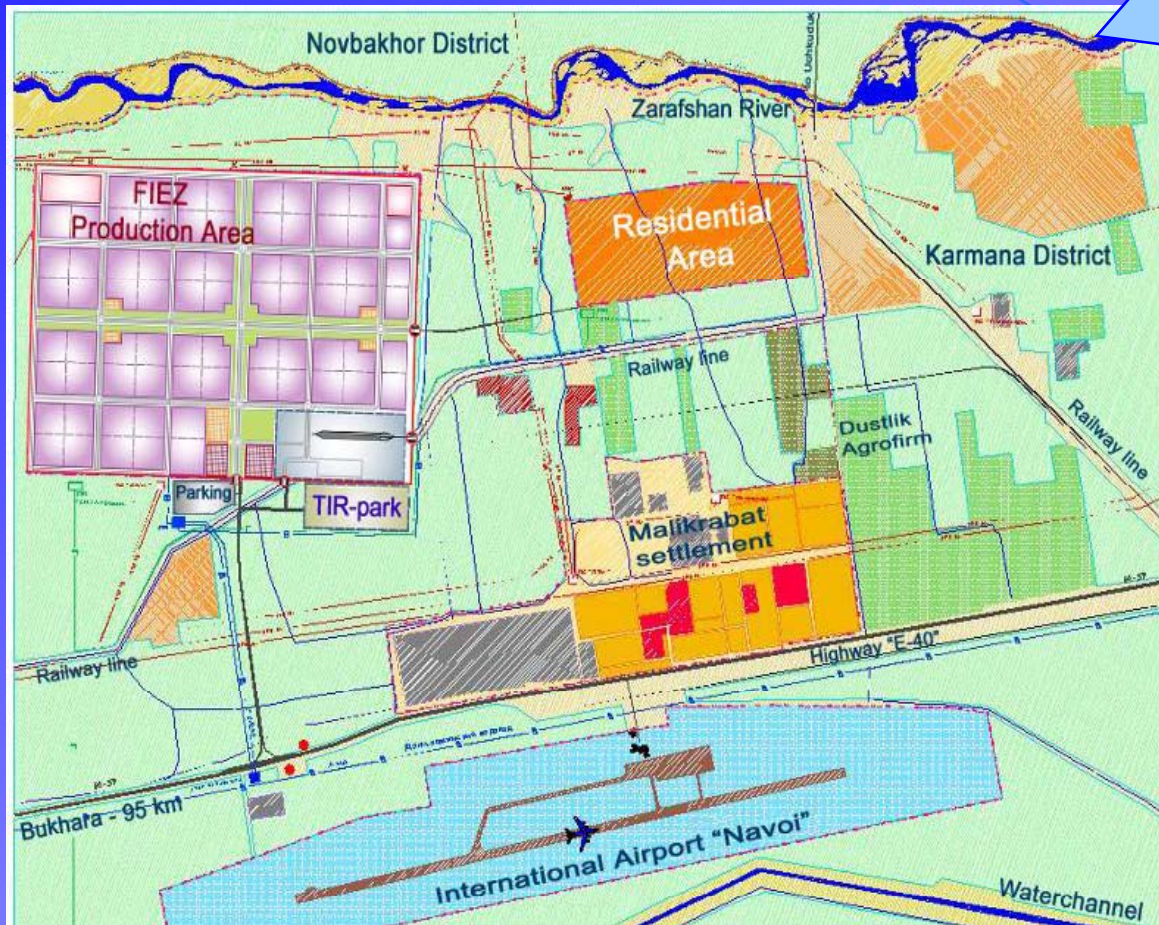

# Navoi Airport HUB - A300-600F Operation

# Free Industrial Economic Zone "Navoi"

- **Territory - 564 ha**
- Electro technical products
- Telecommunication equipment
- Machinery, equipment and components
- Pharmaceuticals and medical goods
- Plastics goods and polymers

The background is a solid blue color with a subtle gradient. A thin, curved line starts from the top left and arcs towards the bottom right, creating a sense of movement or a design element.
