

Georgia: Training on Risk Assessment for Animal By-Products¹

6-10 September 2021, Virtual

List of Participants

The training will strengthen capacity for border controls, particularly on risk assessment for animal by-products not intended for human consumption. Heads and specialists from Sanitary and Phytosanitary (SPS) Border Control Division of Georgia Revenue Service, border inspection points, National Food Agency, and Ministry of Environmental Protection and Agriculture will participate in the training.
