Training Center of the State Customs Committee of the Kyrgyz Republic

The goal – to develop an effective training system enabling the customs management and officers not only to be aware of the essence of the reforms under implementation, but also to be prepared for the most effective adoption of new legislation and procedures, as well as support implementation of reforms and modernization initiated by the customs service of the Kyrgyz Republic.

Activities of the Training Center of the KR SCC:

- organization and conducting basic professional training and qualifications upgrading for customs officials;
- organization of professional training for customs officers;
- providing educational and methodological support to managers of structural subdivisions on issues of professional training of the staff.

Regional training activities and capacity building

- Forum on TIR customs transit (Shanghai), PCR
- Seminar on WTO Framework Standards and Customs Data Model (Urumqi), PCR
- Workshop on Single Window development for CACO and customs officials (Singapore)

ADB support for institutional development

- Review of the existing functional organizational structure of the customs bodies
- Evaluation of customs regulations and procedures, preparation of recommendations to enhance customs automation process;
- Review of existing attestation procedures for their improvement;

Institutional development prospects

- Providing the SCC staff with required skills and knowledge in the process of the UAIS development and a permanent task of experienced and qualified customs officers development
- Program of continuous qualifications upgrading

Engagement of other programs

More effective use of donors' programs in capacity building:

- for organization of training visits
- publication of training manuals
- organization of knowledge-sharing forums

Conclusions

- Support in development and effective utilization of Educational Centers
- Practicing meetings and experience sharing in customs staff training
- Establishment of the CAREC Institute

CAREC Institute

- The CAREC Institute Prospectus was endorsed by the 6th Ministerial Conference
- “Establish the CAREC Institute to ensure it focuses on the priority of government officials training, meanwhile making initiatives on conducting studies, dialogue and outreach activities to enhance understanding and benefits”
