# ICT MASTER PLAN

Record of Discussion on Mongolian e-Customs Feasibility Study Project was signed by the delegation from Mongolian Customs, KIPA, KCS, KTNET and the ADB in February, 2006.

ICT Master Plan for Mongolian Customs had been developed by the Korean consultants.

# The Customs Modernization Project

The Project will comprise

- (i) migration and upgrading of the GAMAS system for customs services and administration, which will be rendered internet-based and interfaced within a national SEW for e-government;
- (ii) improvement of infrastructure at selected major customs houses and customs border posts;  
and
- (iii) institutional strengthening.
