Mission Statement

1. To focus on **promoting common standards, processes and introduction of international best practices** that will benefit the transport and logistics system
2. To **organize capacity building activities** to enhance the modern transport and logistics management

Selected Projects

Focused Projects

I. Regional Training Standards

Objective : To enhance the capacity of transport and logistics professionals in Central Asia through offering relevant training.

Detailed Plans

1. Study the training courses in the leading organizations (e.g. FIATA Diploma)
2. Identify the relevant courses / modules
3. Conduct a Training Needs Analysis (TNA) for member associations
4. Analyze training needs
5. Discuss with FIATA on future collaboration (e.g. Train the Trainers Program)

Focused Projects

II. Adoption of FIATA Standards

Objective : To implement a common transport standards in documentation and operations for regional goods transit

Detailed Plans

1. Review the FIATA standards and identify the applicable ones to Central Asia
2. Conduct a review of the standards already adopted by different countries/associations.
3. Collaborate with FIATA on the customization and implementation of the standards
