The leading role in cargo transport operations in the Kyrgyz Republic belongs to road transport. It transports more than 95% of cargo of the total cargo transported through different transport modes.

The new milestone of international road transport of the republic was started in 1993 . Since that time agreements on international road transport have been concluded with 20 foreign and CIS states. They include: Russia, Ukraine, Belarus, Kazakhstan, Uzbekistan, Turkmenistan, Tajikistan, Moldova, Georgia, Armenia, Latvia, Turkey, Iran, Pakistan, China, Germany, Poland, Mongolia and Austria.

In addition, work is underway to conclude agreements on international road transport with Finland, Azerbaijan, Latvia, Bulgaria, Hungary, Czech Republic, Slovakia and Estonia.
