

**ADB-UNESCAP Workshop
On Regional Interconnectivity and Interoperability of
National Single Windows**

**23-26 April 2012
COEX, Seoul, Republic of Korea**

Jointly Organized by

**Asian Development Bank
United Nations ESCAP**

With the Support of
**Pan Asian e-commerce Alliance
Korea International Trade Association
United Nations Network of Experts for Paperless Trade in Asia and the Pacific**

• Purpose and objective

The purpose of this Workshop is to raise the awareness of and build capacity of managerial level stakeholders from CAREC countries on implementing a Single Window, in particular formulating policy, programme and legal framework for paperless trade and Single Window environment. By participating in the Workshop, the trainees will:

- ✓ Learn from the practices of PAA on how to formulate a programme for cross-border electronic data exchange,
- ✓ Learn essential legal aspects in enabling Single Window and paperless trade environment, and
- ✓ Learn from actual paperless operation of Single Window related agencies through site visits.

• Participants

The participants of this Workshop are primarily managerial level officials in CAREC countries, who are responsible for making policies and implementing programmes for paperless trade and a Single Window. The Workshop will be also open to officials from selected countries in other subregion in Asia and the Pacific.
