

# CAREC Regional Gender Expert Group (RGEG) Inaugural Meeting

---

## Proposed RGEG TOR for Discussion

---

9 August 2022 | Istanbul, Türkiye

# Objectives

- The Regional Gender Expert Group (RGEG) is an **advisory and consultative body** for the gender cross-cutting theme in the CAREC Program.
- It aims to **provide strategic guidance and expert inputs in implementing the CAREC Gender Strategy 2030** and the development of regional projects on women's empowerment.

# Proposed functions of the RGEG

1

Provide expert guidance and technical support on **policy**.

2

Support the development of CAREC **Gender Action Plan** and its M&E mechanism

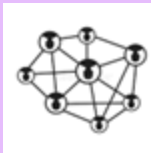

3

Provide advisory support for **project pipeline** development, design, implementation, and monitoring

4

Support the establishment and capacity development of **CAREC regional gender network(s)**.

5

Support the development and dissemination of **knowledge products**

6

Support capacity development on **gender mainstreaming** in the CAREC's operations.

7

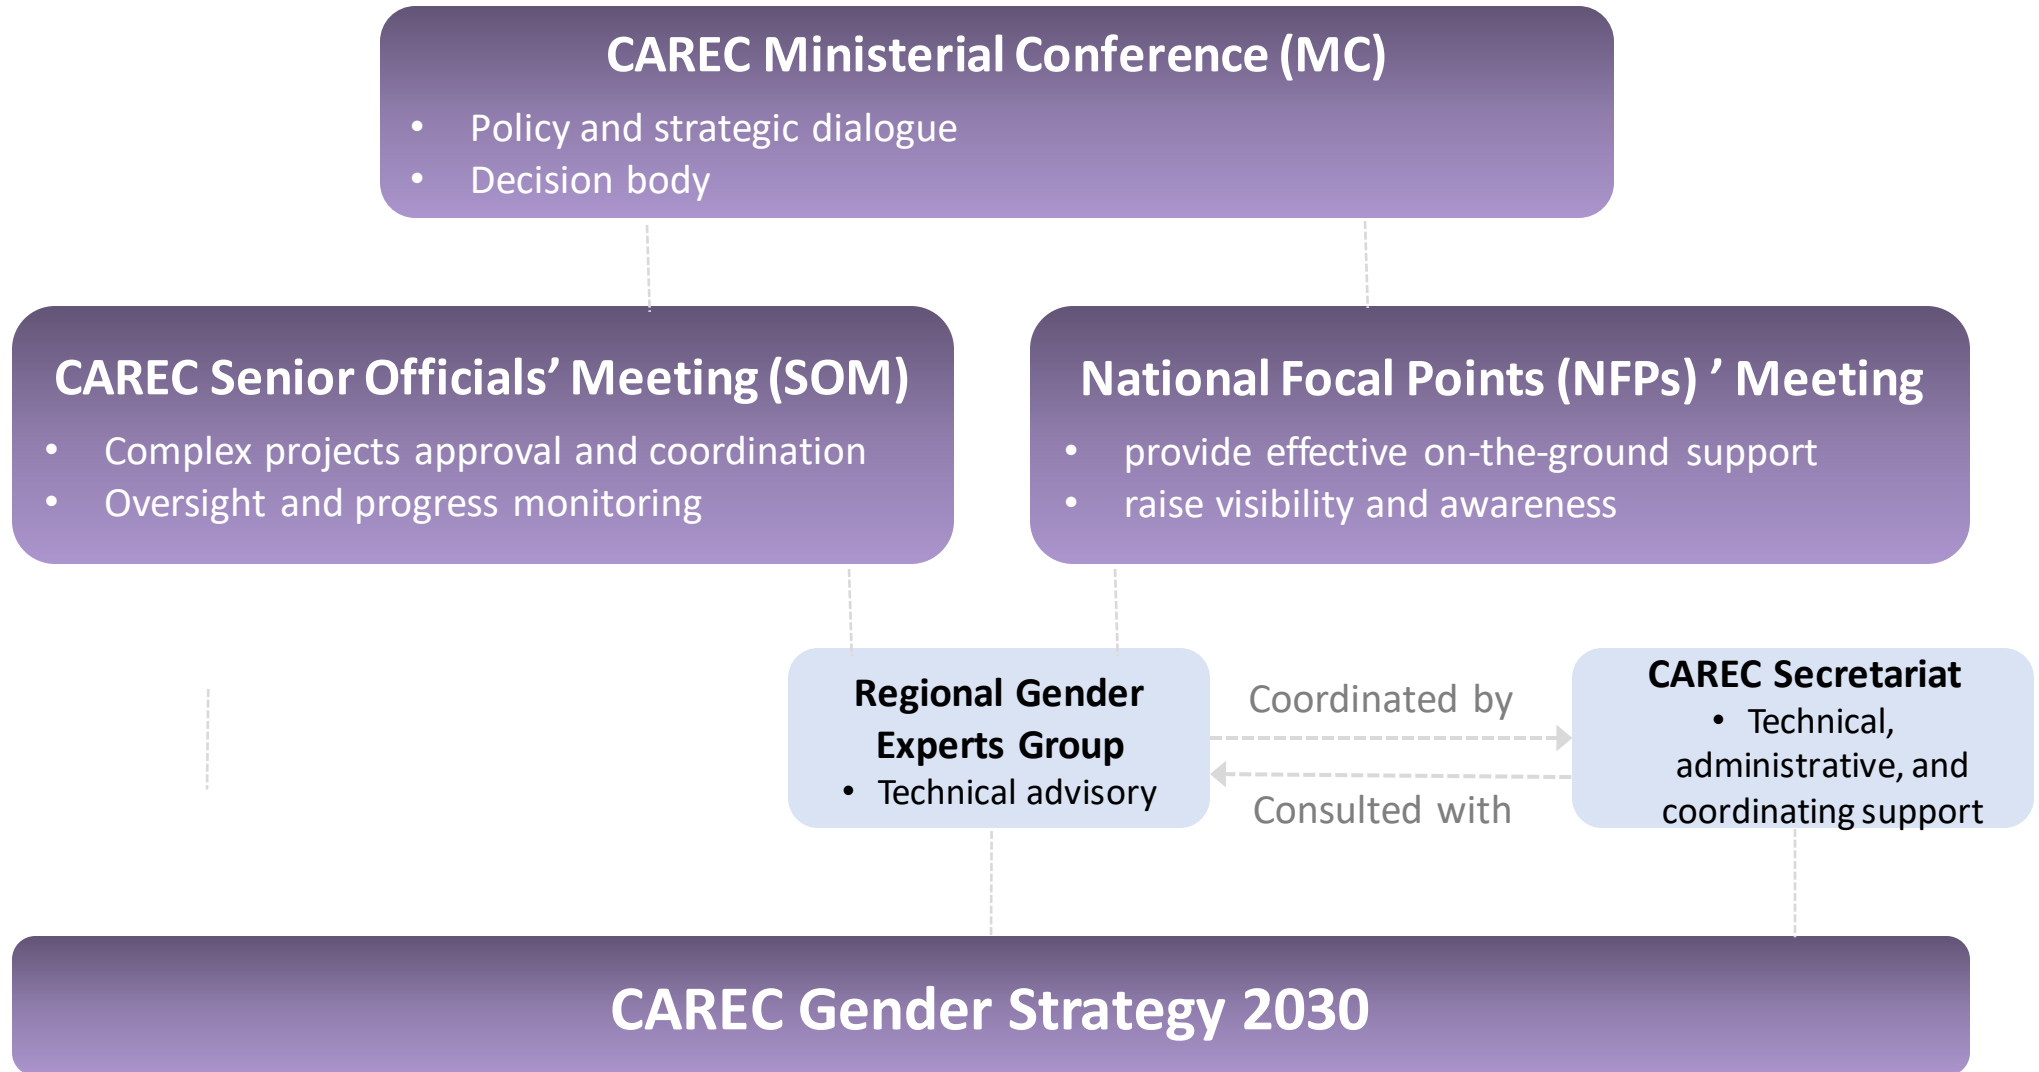

Lead and support **advocacy and communication**.

# Proposed Structure, operations, and responsibilities of RGEG

C A R E C   P R O G R A M
