

easypaisa journey

Equity Injection of \$45 Million
Optimisation of Branch and
Branchless Business Model

ANT Financial started investing
in Telenor Microfinance Bank
in 2018

Telenor Group owns
55% shares
while ANT Financial owns
45% shares.

ANT Financial invested in
financial and tech expertise
that led easypaisa to
new heights

A large, stylized graphic of an eye, composed of concentric, semi-transparent shapes in shades of blue and grey, occupies the left side of the slide. The eye is looking towards the right.

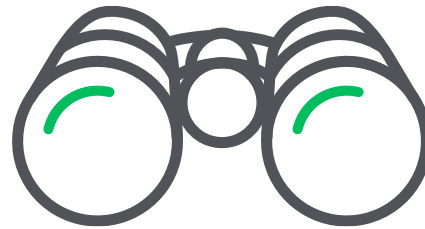

Ready to Witness the Digital Revolution ?

Big Rocks to Look For in 2024

After obtaining the digital retail banking license, easypaisa will have access to international markets, expanding its horizons globally. This strategic move will position easypaisa as a key player in the global financial landscape.
