Bishkek

11 November 2016

# Regional Improvement of Border Services (RIBS) Project

## Kyrgyz Republic and Tajikistan

### Objectives:

- Facilitate cross-border trade and transport in Kyrgyz Republic and Tajikistan
- Simplify procedures for trade (reduction of number of documents, approvals, steps and interactions in the approvals process)
- Re-engineer and Automate procedures of interaction between traders and government agencies through the single points of contact (National Single Window)
- Streamline border crossing procedures and create customer-friendly and secure regime of border crossing
