

Draft CAREC Institute Strategy and Work Program (2013-2017)

Ronald Antonio Q. Butiong
Unit Head, CAREC
Asian Development Bank

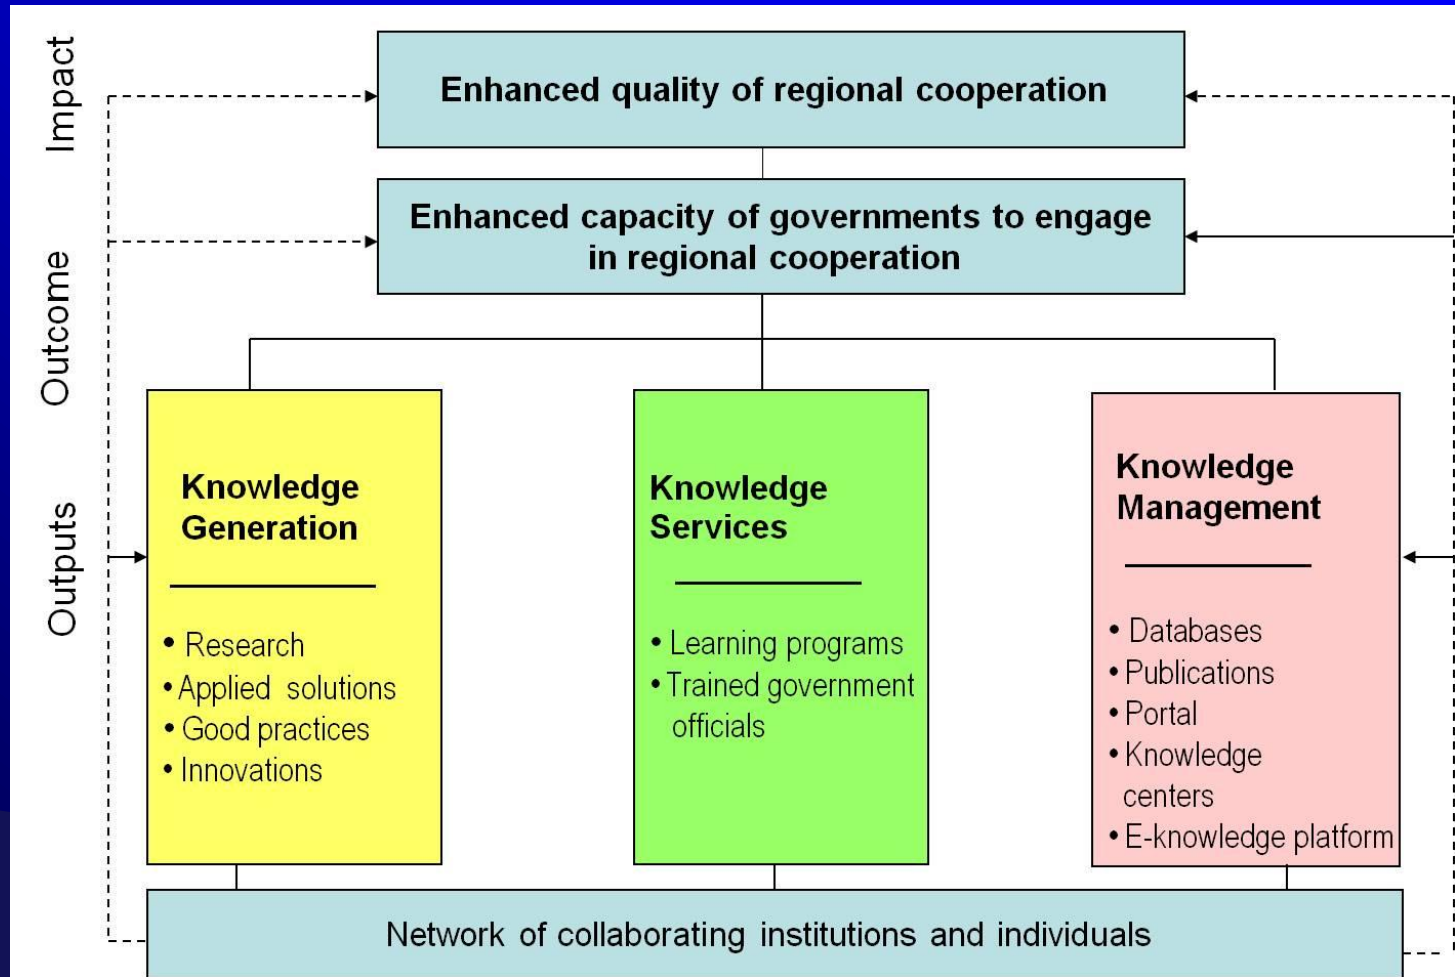

11th CAREC Transport Sector Coordinating Committee Meeting
14-15 May 2012
Manila, Philippines

Background

- CAREC Institute is an operational priority of CAREC 2020
- CAREC Institute Performance Review (2010):
 - Training needs to:
 - ✓ be relevant to regional cooperation
 - ✓ be more practical and applied course content
 - Research needs to:
 - ✓ link more with sector-specific issues
 - ✓ be disseminated more widely
 - Needs to build on existing capacities of CAREC countries and forge partnerships with multilateral institutions and others

CAREC Institute Strategy and Design Framework

Indicative Subject Areas for Transport

Possible Subject Area	For Research/Sector Study	For Capacity Building	For Database/Dissemination
Transport infrastructure	<ul style="list-style-type: none"> • Strategies and master plans for different modes (country-specific or region-wide) • Multimodal transport systems along selected corridors 	<ul style="list-style-type: none"> • Transport economics • Economic evaluation of projects • Public-private partnerships (PPPs) in transport • Project finance 	<ul style="list-style-type: none"> • Database of status of road/rail sections of CAREC corridors • Seminar on successful PPPs in transport
Economic corridor	<ul style="list-style-type: none"> • Economic corridor transformation process (at least for two corridors) • Models of economic corridor development • Border economic zones (joint feasibility studies on BEZ pairs) • Inventory of business services in the priority corridors • Supply chain studies 	<ul style="list-style-type: none"> • Spatial planning • Logistics performance analysis • Corridor performance monitoring and measurement (CPMM) 	<ul style="list-style-type: none"> • CPMM indicators (existing) • Seminar on issues and challenges on economic corridor development • Knowledge platform on economic corridor development • Economic corridor forums
